COUNTERPANE CATHEDRAL

There was a man who had stopped going to church because, he said, "Church doesn't make me feel any nearer to God."
One night he stepped into the children's room to kiss them good night. And suddenly he felt as though he were in church. There was a pillowed altar and a devout congregation in prayer. Yet he didn't feel any nearer to God.
And in that moment he learned the truth that every soul must learn; religion is not some outer force that brings God close to a man. Religion is man's inner yearning which reaches up and discovers how near God is.
And so, from the example of his children, he learned how to find the faith which had eluded him. And, finding it, he returned to church to share with other Christians the rich experience of worship . . . to receive the spiritual gifts of Word and Sacrament . . . to serve Christ in the vital, challenging work of the Church.
He knows that in church—or in a moonlit nursery—God is near those who want Him near!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
