## FSU Ends Ag Streak At Nine Wins, 52-35

The Florida State Swimmers turned the tables on A&M, ending a nine-meet winning streak, 52-35, Wednesday in Downs Natatorium.

A year ago the Aggies of Coach Art Adamson broke a similar, 26-meet victory skein, 49 1/2-34 1/2, in the Sunshine State. Yesterday's victory for the visitors was just as decisive as the A&M win in 1956.

Tetsuo Okamoto, back from Brazil where he tried out for his country's Olympic swimming team, turned in the best performances of the day, winning the 220 and 440-yard freestyle races easily. A&M collected only two other firsts during the afternoon—Jerry Mount's victory in the 200-yard butterfly, and Dick Hunkler's win in the 100-yard freestyle.

Florida State set the stage for the meet, winning the opening event, the 400-yard medley relay

in 4:16.4. State took one-two in diving, and Ryan Ray beat Hunkler by a few inches in the 50-yard freestyle.

The Florida foursome of Ray, Don Lewis, Jim Julian, and Mike Tschirret raced to a pool record in the 400-yard freestyle relay with a 3:40.9 clocking.

Jim Wentworth took the 200-yard backstroke and Joel Jacobs swam to a new record in the 200-yard breaststroke, 2:36.9, breaking the record he set in 1955, 2:37.4.

Okamoto swam brilliantly on his lap of the 400-yard freestyle relay, coming from a length and a half behind to a tie when he slapped the end of the pool, but the Aggies couldn't hold the pace.

## Laslie, Phillips, King Join Grid Staff

With three new coaches in the fold, A&M football reads for Spring training, set for Feb. 25.

Carney Laslie, named as Coach Paul Bryant's number one assistant, J. T. King and O. A. (Bum) Phillips will man the posts vacated by Jim Owens, Tom Tipps and Jerry Claiborne. King and Phillips assumed their duties Feb. 1, but Laslie will not begin until the 15th.

Laslie, who has been line coach at the United States Military Academy under Coach Red Blaik for the past five years, served under Bryant seven years—in 1945 at Maryland and at Kentucky from 1946 through 1951. During Laslie's tour at KU, the Wildcats went to four bowl games.

Laslie is a graduate of Alabama, in the early thirties, assisted Frank Thomas there, then moved to VMI as assistant and head track coach. He served in World War II as a naval officer.

King begins his second tenure at A&M. Previously he had assisted Harry Stiteler in 1949, then moved to the University of Texas under Ed Price from 1950 through 1956. The Longhorns captured the SWC crown three times in those years. King played his collegiate ball

at Texas after graduation from Reagan High in Houston. He coached at Kenedy, Tex., and Enid, Okla., from 1938 until 1945. At Enid his teams won the district five times and were state champs three times.

King assisted under Henry Frnka at Tulane in 1946-7-8 where he recruited so many Texas athletes the 1948 club was termed the "Texas Greenies". Texas had 14 of the team's first 22 players.

Coach King and his wife, Beth, have four children—John 16, Charles, 10, Robert, 6, and Muffett, 3.

New Aggie Assistant "Bum" Phillips is one of the state's most successful young high school coaches. His Nederland teams won 56, lost 15 and tied one in the six years Phillips was head man. The Nederland eleven won 13 and lost one in 1956, beaten only by Garland, 3-0, in the state AAA finals.

### Williams Signs For \$100,000

BOSTON, (AP)—Ted Williams, displaying the enthusiasm and confidence of a youngster, signed a one-year contract continuing him as baseball's highest paid player Wednesday and promptly predicted another great season with the Boston Red Sox.

## HERE ARE THE FIRST TWO TIE-BREAKERS IN OLD GOLD'S

# TANGLE SCHOOLS

### PUZZLES

IF YOUR answers to the first 24 puzzles conformed to the correct list of answers published at the end of the past semester, you can and must submit answers to eight tie-breaking puzzles, in order to compete for the prizes in the tie.

Remember—first prize is a tour for two around the world, and there are 85 other valuable prizes.

The first two of the eight tie-breakers are published herein, according to rule 2(b) of the official Tangle Schools rules:

2(b) In case more than one person solves correctly the same number of puzzles, the prize tied for and as many

subsequent prizes as there are persons tied will be reserved and those so tying will be required to solve a set of tie-breaking puzzles to determine the order in which the reserved prizes will be awarded.

Each of the tie-breaking puzzles will contain scrambled letters forming the names of either one, two or three American colleges or universities.

Do not mail these tie-breakers now! Save them until you have completed all eight tie-breaking puzzles. Details on when and where to mail the tie-breakers will be published with the eighth puzzle.

### TIE-BREAKING PUZZLE NO. 1

CLUE: A leading experimental college for women, this New England school features workshops as part of the regular social science, literature and performing arts programs. There is a 10-week non-resident term here.
