

# Job Interviews

The following Job Interviews will be held next week in the Placement Office.

**Monday**  
**RADIO CORPORATION OF AMERICA**—will interview majors in electrical, mechanical engineering and physics who are interested in design and development and manufacturing specialized training programs.

**Monday and Tuesday**  
**DOUGLAS AIRCRAFT COMPANY, Inc.**—will interview students majoring in aeronautical, chemical, civil, electrical and mechanical engineering, mathematics and physics for positions with the company.

**GOODYEAR AIRCRAFT CORP.**—will interview majors in aeronautical, electrical, mechanical and civil engineering, mathematics and physics for jobs in research, development, design, production engineering, and stress and weight analysis.

**GOODYEAR TIRE AND RUBBER COMPANY**—will interview students majoring in mechanical, electrical, industrial, chemical and civil engineering and chemistry.

**PROCTER & GAMBLE COMPANY**—will interview majors in chemical, industrial, civil, electrical, mechanical engineering, physics, biology, psychology and chemistry.

**TEXAS POWER & LIGHT CO.**—will interview electrical and mechanical engineering majors who are interested in power plant work or design work in a utilities company.

**CONVAIR**—(San Diego) will interview students majoring in electrical, mechanical and chemical engineering, physics, chemistry, mathematics who are interested in their missile and airplane groups.

**GENERAL MOTORS CORP.**—will interview students majoring in mechanical, electrical, and aeronautical, industrial and chemical engineering, chemistry, physics, mathematics, accounting and business administration who are interested in joining the organization.

**Extension Worker Receives Award**

M. C. Jaynes, organization and cooperative marketing specialist for the Texas Agricultural Extension Service, was recently awarded an engraved pocket watch for outstanding service with Cooperatives of Texas.

President W. J. McAnelly of the Houston Bank of Cooperatives made the award during the annual meeting of the Texas Federation of Cooperatives, Texas Cooperative Cotton Ginners Assn. and the bank.

The inscription of the watch reads: "To M. C. Jaynes from the Cooperatives of Texas—Outstanding Service Award."

In making the presentation, McAnelly said: "Many of our most successful cooperatives owe a lot to Mac Jaynes, who is familiarly known over the state as 'Mr. Texas A&M College'."

Jaynes has served at his present position since 1942.

**Girl Scouts Buy 50 Acres of Land**

Bryan-College Station Girl Scout area council recently bought a 55 acre tract of land to be used as a camp site for the Girl Scouts of this area.

The acreage is located about seven miles from College Station city limits and three miles from the Bryan city limits. It can be reached by Leonard Road and Jones Bridge Road.

Funds for the purchase was made several years ago during a camp drive. The site is now available for outdoor meetings, cook outs, hikes, and other things.

**Tuesday**  
**ALUMINUM COMPANY OF AMERICA**—will interview majors in aeronautical, chemical, electrical, civil, industrial, and mechanical engineering, accounting and chemistry for positions with their company.

**LINDE AIR PRODUCTS COMPANY**—will interview students majoring in industrial, mechanical, and electrical engineering, chemistry, physics and chemical engineering for jobs in development, sales and production and staff positions.

**ARTHUR YOUNG & COMPANY**—will interview majors in accounting for staff accountant positions.

**BENDIX PRODUCTS DIVISION**—(Missiles) — Bendix Aviation Corp. will interview electrical, mechanical, aeronautical and industrial engineering for positions with their company.

**GENERAL MOTORS CORP.**—will interview majors in mechanical, electrical, aeronautical, industrial, and chemical engineering, chemistry, physics, mathematics, accounting, and business administration majors for positions with this company.

## CHS Semester Honor Roll Announced

Thirty four A&M Consolidated High School students were listed on the first semester honor roll according to principal J. J. Skrivaneck. These students had an average not lower than 90 for the first three six-week periods.

Seniors were David Webb, Maurice Olian, Larry Leighton, Lucy Rogers, Jo Anne Walker, John Harrington, James Martin, Mary Lou Ergle and John Skrivaneck.

Juniors listed were Jerry Mills, Jeanette Vance, Junius Clark, Millie Caughlin, Mary Margaret Hierrth and Elaine Chalk.

Kim Johns, Jeanelle LaMotte, Patricia Jackson, Don Avera, Sara Goode, Bill Jones, Helen Klipple, Martha Esten, Billie Letbetter, Ora Lee Ramsey, Mary Varvel, James Morgan and Nancy Rogers were sophomores on the list.

Freshmen included Cyndi Drake, Pam Sperry, Dee Smith, Bruce Thompson, Charlene Matejka and Howard Mitchell.

In addition to the students above, 14 others were listed on the honor roll for the third six-week period. The two lists were released at the same time.

Additional seniors were Ann Hite, Mary Beth Hagler and Donald Patton. Other juniors were Mary Linda Cathcart, Christy Kent and Joe Randolph.

Johnny Barger, Dolores Marquart, Alex Rush, Kenneth Baily and Pete Rodriguez were listed among sophomores and freshmen were Janis Gard, Anita Hamner and Fred Brison.

Julius Caesar imported the first giraffe to Europe in 46 B.C. It was exhibited in Rome.

**The Battalion**  
The Editorial Policy of The Battalion Represents the Views of the Student Editors

The Battalion, daily newspaper of the Agricultural and Mechanical College of Texas and the City of College Station, is published by students in the Office of Student Publications as a non-profit educational service. The Director of Student Publications is Ross Strader. The governing body of all student publications of the A&M College is the Student Publications Board. Faculty members are Dr. Carroll D. Laverty, Chairman; Prof. Donald D. Burchard, Prof. Tom Leland and Mr. Bennie Zinn. Student members are John W. Grossett, Murray Miller, Jr., and Leighus E. Sheppard, Jr. Ex-officio members are Mr. Charles Roemer, and Ross Strader, Secretary. The Battalion is published four times a week during the regular school year and once a week during the summer and vacation and examination periods. Days of publication are Tuesday through Friday for the regular school year and on Thursday during the summer terms and during examination and vacation periods. The Battalion is not published on the Wednesday immediately preceding Easter or Thanksgiving. Subscription rates are \$3.50 per semester, \$6.00 per school year, \$6.50 per full year, or \$1.00 per month. Advertising rates furnished on request.

Entered as second-class matter at Post Office at College Station, Texas, under the Act of Congress of March 3, 1879.

## Ph. D. Dissertations Due For May Grads

Candidates for Ph. D. degrees who expect to complete the requirements for their degree during this semester should submit dissertations to the dean of Graduate School, after approval by the student's entire committee, before April 1 according to J. B. Page, dean.

Masters degree candidates who are required to have a thesis should have these approved by all members of their committees and submit them to the Graduate School office in final form by Wednesday, May 1. It will then be reviewed by the representative of the Graduate Council who will participate in the final examination, said Page.

Theses and dissertations in their final form must be turned in to the Dean's office and all oral examinations must be held before May 15, he said.

The thesis or dissertation binding fee is \$3.25, abstract fee is \$12 and diploma fee is \$25.00. It must be paid and the receipt numbers recorded in the Dean's office when the official copies of the thesis or dissertation are submitted.

Over-baking a meringue-topped pie may result in a tough and shrunken topping.

## ASCE Will Hear Theory Explained

How much weight can a bridge take? This question may soon be answered by a new method based on elementary probability theory. Prof. H. K. Stephenson will present the new theory at the American Society of Civil Engineers in Jackson, Miss., Feb. 18-22. Stephenson heads structural research at the Texas Transportation Institute, A&M College.

"Highway Bridge Loading Frequencies Based on Chance Grouping of Heavy Vehicles in Traffic," will be the title of his talk. The objective of the project is to provide a simple mathematical means for estimating how much weight a bridge might be required to hold up if several loaded trucks should pass over it at the same time.

## OFF THE CUFF

(Continued from Page 1)  
Keep up with your favorite comic, Peanuts, now appearing daily in The Battalion in place of Pogo.

Gene Jameson, Jasper Lind, Morris Partain, Randy West and Shirley Cannon, MSC program consultant, left today on a four-day trip through north Texas, Oklahoma and Arkansas to audition Intercollegiate Talent Show contestants.

The second annual meeting of the Brazos County Youth Development Counseling Service will be held tonight at 7:30 in the Bryan City Hall Commission room. The meeting is open to the public.

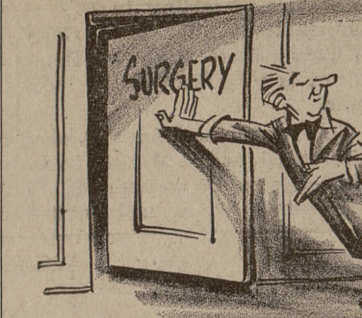

## DIARY OF A COED

**MONDAY:** Prof Pomfritt sprang quiz in English lit this morning. If Shakespeare didn't write *Canterbury Tales*, I'm back in the steam laundry. . . Lunch at the house - turkey hash. Question: how can we have turkey hash when we never had turkey? . . . Smoked a good, natural Philip Morris after lunch. Yum, yum! . . . Played bridge in the afternoon. When game was over, Mildred Olliphant stabbed me several times with hatpin. Must learn weak club bid. . . Dinner at house - lamb hash. Question: how can we have lamb hash when we never had lamb? . . . Smoked a Philip Morris after dinner. Good-O! - no filter, no foolin'! . . . Chapter meeting at night. Motion made to abolish capital punishment for pledges. Motion defeated. . . Smoked some more Philip Morris. Natural! Dreamy! . . . And so to bed.

**TUESDAY:** Faculty tea. Spilled pot of oolong on Dean of Women. She very snappish. Offered her a Philip Morris. Still snappish. Offered skin graft. No help. . . Dinner at Kozy Kampus Kafe - 14 hamburgers. But no dessert. Have to watch waistline. . . And so to bed.

**WEDNESDAY:** Got our marks in English lit quiz. Lucky for me Shakespeare wrote *Canterbury Tales*. . . Date with Ralph Feldspar. Purely platonic. Ralph wanted to talk about love trouble he's been having with Mady Vanderklung. I said things were bound to improve. Ralph said he hopes so because the last four times he called on Mady she dumped vacuum cleaner bag on him. Smoked Philip Morris. Yummm! Dinner at house - bread. That's all; just bread. . . And so to bed.

**THURSDAY:** Three packages from home - laundry, cookies, records. So hungry I ate all three. . . Quiz in American history. If James K. Polk didn't invent cotton gin, I'm in big trouble. . . Had afternoon date with Erwin Trull, pre-med. Nice boy but no loot. Took me to see another appendectomy. Ho-hum! . . . But we had Philip Morris afterwards. Goody, goody, gumdrops! . . . Dinner at house. Big excitement - Vanessa Strength announced her engagement. While girls flocked around to congratulate Vanessa, I ate everybody's mackerel. . . Then smoked a good, natural Philip Morris. Divoon! . . . And so to bed.

took me to see another appendectomy

**FRIDAY:** Got our marks in American history quiz. Was dismayed to learn that James K. Polk did not invent cotton gin. He wrote *Canterbury Tales*. . . Odd! . . . Lunch at the house - bread hash. . . Philip Morris after lunch. Grand-dandy! . . . Spent afternoon getting dressed for date tonight with Norman Twonkey. Norman is tall, dark, loaded - a perfect doll! Only thing wrong is he never tells girl where he is going to take her. So I put on a bathing suit, on top of that an evening gown, and on top of that a snowsuit. Thus I was ready for a splash party, dance, or toboggan slide. . . So what do you think happened? He entered me in a steeplechase, that's what!

**SATURDAY AND SUNDAY:** Days of rest, play, quiet, meditation, and - aah! - Philip Morris! . . . And so to bed.

Coeds - and, of course, eds too - in your busy campus week, a companion ever-constant, ever-true, and ever-welcome is today's new, natural Philip Morris Cigarette, made in regular and long size by the sponsors of this column.
