

## Fish Seek 4th Win Against Shorthorns

Ending a five-game losing streak, with a 74-72 victory over Baylor's Cubs, the A&M Fish pursue a fourth victory of the season against Texas' flashy Shorthorns in Austin Saturday night.

A 73-62 victim of the Shorthorns three weeks ago here in White Coliseum, the Fish try to make it two in a row and match an earlier streak when they topped the Houston freshmen, 61-58 and Wharton JC, 76-53, in consecutive games.

The overtime triumph at the expense of Baylor saw the Fish hit for perhaps their best night from the field, scoring with 27 of 65 field goal attempts for a fine 41.5

per cent. The Fish with their best backboard effort controlled 67 rebounds to the Cubs' 35 with Wayne Lawrence snatching 22, Sammy Myers 16 and Dave Corson 15.

Lawrence, netting 32 points, boosted his season scoring to 240 points and a 26.6 average for his best output of the year.

James Anderson of Greenville, on the basis of his 16 point total, pulled into a second-place tie with Corson in Fish scoring.

Corson and Anderson have totalled 82 points in the nine game season for an average of 9.1 points, followed by Myers with 56 points

SENIOR GUARD TED HARROD—will see action in an Aggie uniform for the next-to-the-last time tomorrow night in Gregory Gym as the Cadets battle the Longhorns in Austin. Harrod has scored 118 points on the season and 88 in league play.

## Sophs Battle Pennies, Downs in Gregory Gym

By BARRY HART  
Led by a trio of sophomores, the Aggie cagers journey into the land of the coin tomorrow night when they meet the University of Texas Longhorns in Austin's Gregory

Gym at 8 p.m. Mediocre on the road, the Steers of Coach Marshall Hughes are great at home, and, with the accompaniment of 7,500 hometown fans throwing paper and

pennies, are almost unbeatable on their 40 Acres. Texas conquered the league-leading SMU Mustangs for their only conference loss earlier in the year in Gregory, then lost to the defending champions in Dallas, 79-56.

The Aggies bounced the Steers, 69-67, in overtime in White Coliseum, but expect a somewhat rougher go tomorrow night. Coach Ken Loeffler's crew are 6-16 on the season and 2-8 in conference play while the Texas five stand 11-10 for the year and one notch above the Aggies in the league standings with a 3-6 mark.

Once again A&M's George Mehaffey duels the great Ray Downs of Texas. Both scored 23 points in the Aggies' victory here, but Downs has scored 464 points so far in 1957 to Mehaffey's 300.

A&M's three fine sophomores—Neil Swisher, Ernie Turner and Jim McNichol—have been doing most of the scoring in the past three games. Mehaffey was injured in the Arkansas contest and has been at sub-par efficiency since. He did not play against SMU in Dallas Tuesday.

## Aggie Swimmers Meet UT Saturday

By BARRY HART  
A&M's swimmers move into Austin tomorrow afternoon to take on the always-dangerous University of Texas men.

The Aggie Fish get wet starting at 1 p.m. with the varsity hitting the water at 3.

Coach Art Adamson takes 13 of his varsity performers and 12 freshmen into the state capital to try the Longhorn swimmers. The Aggies, beaten only by Florida State in the past two years, edged Texas, 46-38 here in 1956.

"It's going to be a rugged meet," observed Adamson of the Texas battle. "They picked up a couple of good boys at mid-semester, including Tracey Word, that will give them a better-balanced team."

The Steers should be strong. Holder and Joe Lee Neal set a new 400-yard freestyle relay of 3:36, breaking their own 1956 mark of 3:38.2.

A&M's Tetsuo Okamoto will probably sweep the 440 and 220-yard freestyle races, although his specialty is the 1500.

The Aggies are 2-1 on the season after winning the SWC relays. Adamson's Cadets lost to the Florida swimmers, 52-35, then blasted Rice, 56-30, and Northwest Louisiana, 60-26.

The Fish have won their two outings, 47-30, against Rice and 41-36 over Houston Reagan high school and should win without much trouble. SMU got the cream of the first-year crop with A&M the remainder while the Longhorns picked up virtually nothing.

Orlando Cossani, the 24-year-old freshman from Concepcion del Uruguay, Argentina, broke the American 20-yard course, 100-yard butterfly record of 60.5 owned by Yale's Stanton Smith and set in 1951. Cossani raced to a 58.6.

Making the trip for the varsity are Norman Ufer, Dick Hunkler, Bob Barlow, Okamoto, Roger Burton, Jim Dye, Bruce Martin, Dubby Godfrey, Henry Goff, Charles Cook, Lindsey Blayney and Jerry Mount.

## CJHS Kittens Win Cage Pair

The Consolidated Junior High Kittens took both ends of a double-header from the Navasota Fangs in their final cage games of the season last night in Tiger Gym.

Tied at the end of the regulation game, 39-39, the Kitten "A" team got hot and bounced the visitors, 45-40, while their younger teammates mauled the Fang "B" team, 38-12.

Jack Armistead, who paced the night's scoring with 16 points, bucketed two jump shots and Joe Olian, second in the scoring with 11, hit a set shot while the Fangs managed only a free throw in the overtime period.

The Kittens out-rebounded the Navasota five, 58-40. At one time, during the third period, the CHS team lead, 29-20, but the visitors pulled to 29-23 at the end of the third quarter.

## Bryant to Get Car as Grid Titlists Feted

A&M's Southwest Conference champion grid team will be feted by the A&M clubs of Texas with a buffet-style dinner-dance tomorrow at 7 p.m. at the Houston Club in Houston.

Before the dinner, head coach and Athletic Director Paul (Bear) Bryant will be given a 1957 Cadillac at a private party by a small group of close friends including several non-Aggies.

A full house of more than 700 persons will fill the Texas Room at \$12.50 a plate to honor the only Aggie team to win the conference title since 1941. Bryant's eleven went undefeated through the season, with only a 14-14 tie to the University of Houston marring their record.

## GASOLINE

prevents the  
"knock you cannot hear!"

Engineers call it "trace knock," and only the trained ear can hear it.

But trace knock, like any knock, robs your engine of its power, forecasts engine damage.

If yours is a modern car in any price class—especially if it's a 1957 model—prevent trace knock with Golden Esso Extra, the gasoline with the highest octane rating ever.

Use Golden Esso Extra. Added value from full performance offsets the small extra cost. Stop at the golden pump under your neighbor's Humble sign.

If you answer *yes* to any one of these questions, you should try Golden Esso Extra—world's finest gasoline.

- Does your car knock on "premium" gasoline?
- Is your car air-conditioned? (On an average, the engine pulls a 3-ton air conditioner.)
- Does the engine have a compression ratio of 9 to 1, or higher?
- Does your car have more than one carburetor or a "Power-Pack?"
- Is the engine rated at 200 horsepower or higher?

(These points become even more important as you add miles to a new car; anti-knock requirements increase when you pass the break-in point.)
