SPRING MAKES THE DIFFERENCE

As you gaze at this scene of snow, ice, and leafless trees, your mind may skip ahead and picture green grass, abundant foliage, and a rippling stream. The very thought brings happiness. Spring makes the difference.

As grass, trees, and streams are fettered by winter, so some lives are bound by doubt, unbelief, lack of faith, and false ideas. When they come in contact with the Church, the love of God sets them free. They see new beauty in everything about them, and others see new beauty in their lives. As spring brings all nature to new life, so God's love makes human beings happier, gives them life more abundant.

No matter how strong the fetters which bind you, freedom can be yours through the Church and the message it brings to all. Why not accept that freedom today?

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his children. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
