## CHICKEN PIE

- |  |   |
|--|---|
| ½ cup butter, margarine or chicken fat | 2 cups light cream or milk              |
| ½ cup chopped onion                    | 3 cups chopped cooked chicken or turkey |
| ¼ cup chopped celery                   | 1 cup cooked or canned peas             |
| ½ cup all-purpose flour                | 2 tablespoons chopped parsley           |
| 1 teaspoon salt                        | 2 cups sifted all-purpose flour         |
| ¼ teaspoon pepper                      | 1 teaspoon salt                         |
| 2 teaspoons celery salt                | ½ cup shortening                        |
| 2 cups chicken or turkey stock         | 5-6 tablespoons water                   |

Melt butter, margarine or chicken fat in a saucepan over low heat. Add onion and celery and cook about 5 minutes or until soft and lightly browned. Blend in ½ cup flour, 1 teaspoon salt, pepper and celery salt.

Add stock and light cream slowly, stirring constantly. Continue stirring and cook over low heat until thickened. Remove from heat. Add chicken or turkey, peas and parsley.

Pour into greased individual casseroles or one large deep dish and top with pastry. To make pastry, sift 2 cups flour with 1 teaspoon salt. Cut in ½ cup shortening until mixture resembles coarse corn meal. Add water gradually and blend just until particles hold together.

Form pastry into a ball, then roll out on floured board to ¼ inch thickness. Cut to fit casserole tops. Make a standing rim around edges and cut gashes in top. Bake at 425 degrees 20-25 minutes or until lightly browned. Serves 6-8.

## OLD-FASHIONED APPLESAUCE CAKE

- |                                    |                        |
|------------------------------------|------------------------|
| ½ cup shortening                   | 1 teaspoon soda        |
| 1-½ cups sugar                     | 1 teaspoon salt        |
| 1 egg                              | ½ teaspoon cinnamon    |
| 1 cup thick unsweetened applesauce | ¼ teaspoon cloves      |
| 1-½ cups sifted all-purpose flour  | ¼ teaspoon allspice    |
| ½ cup seeded raisins, cut up       | ½ cup water            |
|                                    | ½ cup walnuts, chopped |

Cream shortening and sugar together until fluffy. Add egg and beat well. Stir in applesauce, sift dry ingredients together and add alternately with water. Stir in walnuts and raisins.

Bake in 9-inch square greased pan in moderate 350-degree oven for 35 to 40 minutes. Sift confectioners sugar over top of cake or ice.

## ORANGE CREAM CHEESE ICING

- |                                  |                                   |
|----------------------------------|-----------------------------------|
| 1 tablespoon butter              | salt                              |
| 1 3-ounce package cream cheese   | 2 cups sifted confectioners sugar |
| 2 tablespoons grated orange rind |                                   |

Cream butter and cream cheese until soft. Add orange rind and salt. Blend in sugar and beat until light and fluffy. Spread generously on cake.

## ROLL-AWAY CHOCOLATE BALLS

- |                              |                 |
|------------------------------|-----------------|
| 1-¼ cups butter or margarine | ½ cup cocoa     |
| ¾ cup sugar                  | 2 cups flour    |
| 1 teaspoon vanilla           | ½ teaspoon salt |
| 2 cups chopped pecans        |                 |

Cream sugar and butter until fluffy; add vanilla. Sift together flour, salt and cocoa. Gradually add to butter and sugar mixture. Blend in chopped pecans. Mix thoroughly.

Refrigerate for 6 hours. Roll into balls about 1 inch in size and bake on ungreased cookie sheet. Place about ½ inch apart. Bake at 350 degrees for 20 minutes. Roll in powdered sugar. Makes 6 dozen.

## Statistic!

The other day our vice president in charge of good news announced that someone, somewhere, enjoys Coke 58 million times a day. You can look at this 2 ways:

Either we've got an incredibly thirsty individual on our hands. Or Coca-Cola is the best-loved sparkling drink in the world.

We lean to the latter interpretation.
