## WHAT A BIG BOOK!

Of course the Bible is big. Not only in size... but in the endless depth of the messages to man. God never intended the Bible to be studied without help. When an Ethiopian official centuries ago wrestled with a passage from Isaiah, God sent the evangelist, Philip, to meet the man's chariot, climb aboard, and explain the text's reference to the crucifixion of Christ. Explaining and applying God's Word are still two of the major aims of the Church. Every sermon, every lesson, every discussion topic your church offers is intended to focus your attention on the timeless truths of Scripture and help you thread them into the pattern of your life. Cherish your Bible... read it regularly... and let your Church guide you to the richness of its message.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
