

**CLEVER CHAPEAU 'CREATIONS'** were the order of the day last Thursday when the Officers' Wives of College Station presented a "Crazy Hat Show" at their monthly luncheon meeting at The Oaks. Proclaimed the winners were (left to right) Mrs. Delmer P. Anderson, Mrs. V. M. McConnell, and Mrs. William F. Henson. Mrs. McConnell took first place with a parasol-hat featuring a lighted red candle and a music box. Mrs. Anderson's second place winner was a white chapeau complete with silver longhorns, an oil derrick and a miniature Cadillac. Third place was taken by Mrs. Henson with a platform creation holding two cradles steadied by the hands of a stout "mammy."

## Family Favorites

By GEORGIA JOHNSON  
(Texans all are the Johnsons—Georgia, who comes from Channelview; Gene, a Baytown, and Zee Ann, a young lady who'll soon be two. Gene, who goes by "Jones Eugene" officially, is majoring in accounting at A&M.)

**CRANBERRY APPLE-ADE PUNCH**  
1 bottle (16-ounce) cranberry juice  
2 cups apple juice  
Mix chilled juices with lemonade concentrate. Add chilled ginger ale just before serving. Yield: 1½ quarts.

**BARBECUE BURGER MIX**  
1 pound ground beef  
½ cup chopped onion  
¼ cup chopped green pepper  
¼ cup chopped celery  
1 8-ounce can tomato sauce  
¼ cup catsup  
Brown beef in hot fat. Add onion, green pepper and celery, and cook until tender. Add remaining ingredients, and mix well. Cover and simmer 20 minutes. Spoon on warm buns. Serves 6.

**PECAN PIE**  
3 eggs  
1 cup granulated sugar  
1 cup light corn syrup  
1 teaspoon vanilla  
3 tablespoons melted butter  
1½ cups pecan halves  
½ recipe plain pastry  
Mix sugar, syrup and eggs together. Add butter and vanilla and mix well. Stir in pecans. Pour into pastry shell and bake in slow oven (300 degrees) 1 hour and 15 minutes.

## Job Interviews

The following companies interview tomorrow at the Placement Office:  
**Koppers Company Inc.**, Port Arthur, interviews Ch.E., and Chemistry majors for summer employment.  
**Northrop Aircraft Inc.**, interviews Aero.E., C.E., E.E., M.E., Physics and Math majors.  
**Leeds and Northrup Company** interviews Ch.E., E.E. and M.E. majors for positions in research, development, production engineering, application engineering and sales engineering.  
**U. S. Naval Air Development and Material Center** interviews Aero.E., M.E., E.E., and Physics majors for positions.  
**Halliburton Oil Well Cementing Company** interviews M.E., E.E., Pet.E., Ch.E., Chem., Physics, Geology and Math. majors for positions of Field Engineering trainees; Equipment Design, Tool Development, Mechanical Research and Development, Chemical Research Labs and Electronic Labs.  
**The Rath Packing Company**, interviewer B.A., Ag.Eco. and A.H. majors.  
**General Electric** interviews Bus. Adm., Eco., Ag.Eco., Jour. and Eng. majors for Advertising and Public Relations.  
**U. S. Naval Laboratories in California**—U. S. Naval Ordnance Lab. and U. S. Naval Ordnance Test Station interviews E.E., M.E., Aero.E., I.Eng., Math., Chemistry, Physics and Statistics majors for positions. They also are interested in E.E., M.E., Physics, Math. and Statistics majors for summer employment.

## Brochure Shows Station Chores

All chores undertaken by the Texas Engineering Experiment Station during the past two years, ranging from cottonseed processing to sanitary engineering, are described and illustrated in a brochure put out by the station.  
Compiled by Fred J. Benson, vice director of the Station, the pamphlet is entitled "Activities of the Texas Engineering Experiment Station, 1954-55 and 1955-56."

## Social Whirl

Electrical Engineering Wives Club will meet at 8 p.m. Monday in room 203 of the YMCA. Dr. Edward Andrew of the department will give a lecture on Pakistan. Refreshments will be served by Barbara Gossage and Sharron Welborne, hostesses for the evening.

Aggie Wives Bridge Club will have its sixth meeting of the spring semester at 7:30 p.m. today in the Memorial Student Center. Hostesses for the evening will be Tribba Keller and Pat Locke for the regular group and Marilyn Jannasch and Lucille Ritchart for the intermediates.

Last week prizes were won for high, second high and low scores by Ann Price, Pat Sprayberry and Pat Locke, respectively, in the regular group. In the intermediate group high score prize was won by Lucille Ritchart. Peggy King won second high, and Marilyn Jannasch, third high. Low score prize was won by Arlene Starr.

Agricultural Economics and Rural Sociology Wives will meet at 7:30 p.m. Monday at the Bryan Sewing Machine Company for a Nechli sewing machine demonstration.

A picnic has been planned by the Wildlife Management Wives Club for 4 p.m. Sunday in Hensel Park. Members, their husbands and their children are invited.

Animal Husbandry Wives will have a business meeting at 7:30 tonight in the YMCA. At 8:15 the group will go to the home of Mr. and Mrs. Kraft of Kraft Furniture for a talk and demonstration. Refreshments will be served there.

Mrs. Renee Hays of Redmond Real Estate will be guest speaker Monday night at the meeting of the Mechanical Engineering Wives Club. The meeting is scheduled for 7:30 p.m. in room 202 of the YMCA. Ruby Jordon and Lou Murley will be hostesses for the evening.

## CIRCLE

23 Paces to Baker Street  
CINEMASCOPE

## AAUW Has Program On Art

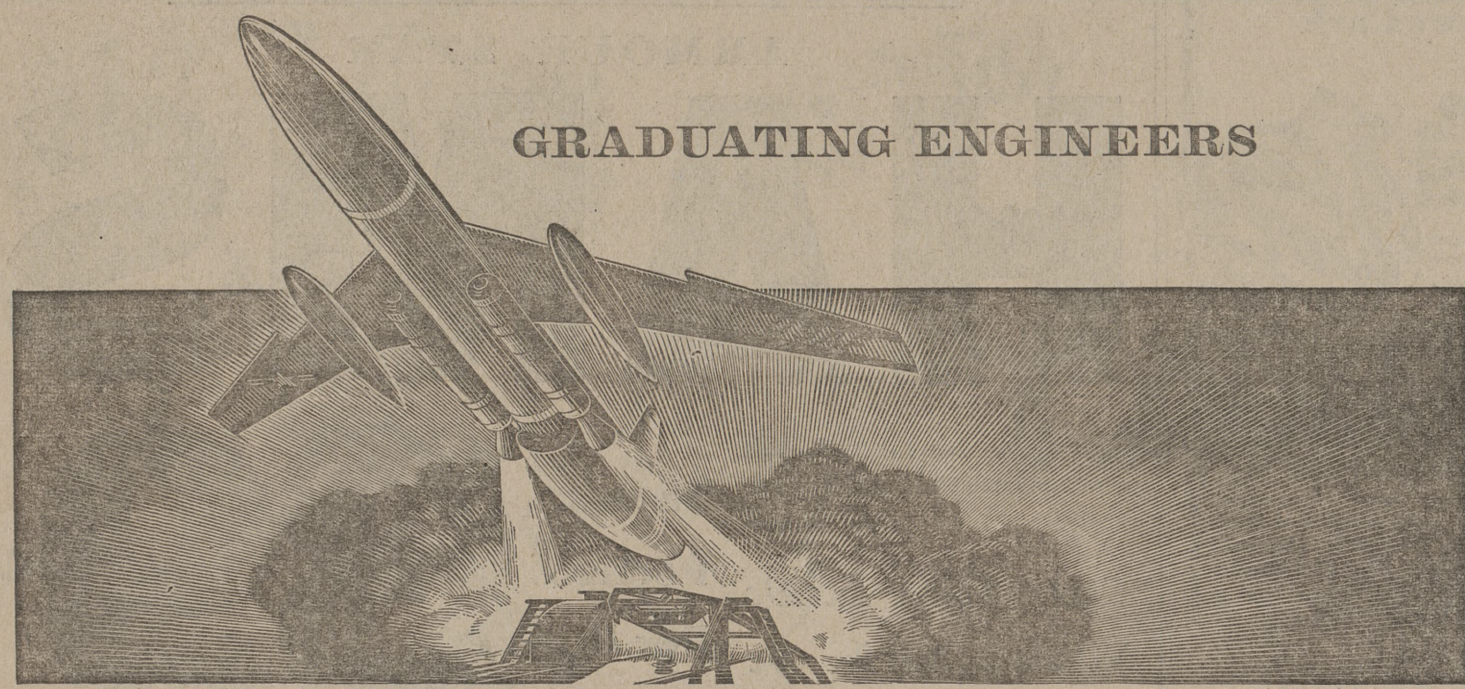

A stimulating program on art forms was presented at the March meeting of the American Association of University Women by Miss Dorothy LaSelle, professor of art at Texas State College for Women.

Introduced by Mrs. W. H. Delaplane, Miss LaSelle spoke of her two major art interests—the Little Chapel in the Woods on the TSCW campus and certain aspects of modern art. Discussing the first, she stated that her students, between 1938 and 1941, designed and made the 11 stained glass windows, the light fixtures, beam decorations, mosaics for the pews, cross, candlesticks and even the heavy front door of the chapel. The rug, too, was designed and woven by students. In the second part of the program, Miss LaSelle showed slides of modern architecture and modern designs in furniture. She emphasized that the new materials of the space age demand new forms. She closed the program with slides of some of her own works. She has had a studio in Provincetown, Mass., for 10 summers and her work has appeared in a number of exhibits. During the business meeting, the branch voted to sponsor an award for the second Memorial Student Center art show. It was announced that all donations for Hungarian relief are to be left at the homes of the Mesdames Horace Blank, M. E. Ennis and J. H. Quisenberry.

## GRADUATING ENGINEERS

Research, development, and production activities at Northrop Aircraft, Inc., in Southern California, create a continuous demand for young men who wish to build a permanent career in engineering and science. In addition to a diversified production program in its several plants, Northrop is engaged in many vitally important, classified projects necessary to our country's defense.

If your training qualifies you for positions in the categories listed below... if you want to settle in the Los Angeles area and work in Northrop's new multi-million-dollar engineering center... if you want to build a successful career in one of America's foremost research, development and production organizations... if you want to enjoy many outstanding benefits that are unexcelled in the industry, including Company-paid life, health, and accident insurance, two weeks and two days annual vacation plus an extra week at Christmas, both with full pay... if you want to work where your ability will be continually encouraged... please contact your school's placement office and make an appointment for an interview with one of Northrop's representatives.

**THESE FIELDS OFFER CHALLENGING OPPORTUNITIES**  
AERONAUTICAL ENGINEERING • MECHANICAL ENGINEERING  
ELECTRICAL ENGINEERING • ELECTRONIC ENGINEERING • CHEMISTRY  
PHYSICS • MATHEMATICS • CIVIL ENGINEERING

Campus interviews will be conducted by Mr. Bob Kealhofer, Engineering Personnel Representative of Northrop Aircraft, Inc., on Friday, March 15th, at Texas A & M College Engineering Placement Office.
