THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Our verdict had been given. With a word of commendation the Judge discharged us, the ladies and gentlemen of the jury. The completed duty brought little relief. Instead there was a burden, a spiritual weight. Days of testimony and hours of deliberation had given an oppressive sense of the world's sin and suffering.

The door of my church was open and I slipped inside. I was alone as the rays of the setting sun enhanced the rich colors of the windows. All was quiet. I dropped to my knees.

Gradually in the solemn beauty of that sacred place I found peace. Here was sanctuary for me and for all who would come in faith believing.

Thankfully I arose; my heart and mind felt calm and refreshed. I could go home now, but I would return often. In glad fellowship with God's people I would worship the Christ who died that men might be forgiven.
