Consider...

After the bleakness of winter comes Spring. Fulfilling a promise of long ago, the seasons follow one another in divinely planned succession.

All around us we see evidence that evil prevails throughout the world, but the Church gives positive assurance that God is ever present. As Spring brings new life to nature so God, through the Church, brings more abundant life to human beings.

Consider the daffodil—its freshness and beauty speak of hope. Consider the Church—its steadfast faith reaches out to undergird and strengthen mankind. God creates daffodils without our help, but intelligent cultivation makes them even more beautiful. Likewise, He depends on us to work in His Church, helping to spread its influence, to broadcast its message, to make a better world.

Let us accept this tremendous challenge and become a part of God's Church today.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
