

First Ag Sports Day Saturday

The first Aggie Sports Day, sponsored by the Campus Religious Organization, will be held Saturday from 2 to 5 p. m. The softball diamonds and the Grove athletic facilities have been reserved and equipment will be available for softball, basketball, volleyball and horseshoes, according to Sports Day Chairman Charles Hall. Each religious organization is asked to sponsor a team in each sport with every Aggie encouraged to participate with the team of his choice, although it is not necessary to be on an organized team. "The lessons we learn and use in sports can be in perfect harmony with the lessons that religion teaches and uses in daily life."

JIM SMOTHERMAN—clutch-hitting Aggie outfielder who stands seventh among A&M hitters, but leads in runs batted in with three. Smotherman has collected six hits in 22 trips to the plate for a .273 average.

Olympic Champs Marry in Prague

PRAGUE, — (AP) — The Olympic champion Harold Connolly faced up to excommunication by the Roman Catholic Church and married his Protestant sweetheart, Olga Fikotova, in three ceremonies that blocked traffic in ancient Prague Wednesday.

The East-West romance which budded in the 1956 Olympic games at Melbourne led them through civil, Catholic and Protestant marriage ceremonies before sympathetic throngs in this capital of Communist Czechoslovakia.

Connolly said "yes" and Olga said "ano yes" and the Iron Curtain barriers which had so long loomed threateningly were, for them, set aside. However, religious complications were still ahead in the union of the handsome, 26-year-old Boston hammer-throw king and the pretty, brown-eyed Czech girl, 24, gold medal winner as a discus thrower.

Catholic authorities said their church law provided automatic excommunication for Connolly because he exchanged vows with Olga in her own church after she had knelt with him before the candle-lit altar of the 13th century Tyn church in the Roman Catholic marriage ritual.

But blessings came from other quarters and the bridal couple beamed.

There were smiles, kisses and tears and Olga, in a white lace

gown and matching wide-brimmed lace hat, was radiant.

After a two-week honeymoon in Czechoslovakia, the two plan to leave April 10 on a trip through Western Europe, on which Connolly will give exhibitions, before heading to Boston. Olga, a medical student, still awaits a U. S. visa.

Registrar Thomas Pumper made them man and wife in a civil ceremony that packed more than 1,000 persons in and around Prague's medieval Town Hall. He told them the Czechoslovak legal code established "equal rights and equal duties" for partners in marriage.

Aggies Invade Waco Friday

The Aggies, with the weatherman forecasting inclement weather, journey to Waco Friday for an 8 p.m. engagement with Baylor's heavy hitting Bears in Katy Park. The two teams clash again Saturday at 2 p.m. in Baylor park.

Captain Dick Munday and Lefty Toby Newton are scheduled to start the games, not necessarily in that order, with Donnie Hullum, Paul Lang and Bo Paradowski held in relief. The Aggie nine has only one win in five games but is experiencing the best year at the plate since 1955, with a team batting average of .245. A&M losses can be laid to defensive lapses with only 18 runs of 28 scored by the opposition being earned.

Gary Herrington is the leading Aggie batsman, with six hits in 17 trips and a fine .353 average. He is followed by Wendell Reed who has rapped out five hits in 15 at bats, including two doubles, for a .333 average. Other batters in the .300 circle are Cliff Tuttle and Doug Mullins, batting .316 and .313 respectively.

Leading pitcher is Hullum, who with 16 innings to his credit, has yet to register in the won-lost column. He has posted a 1.68 earned run average, given up five hits, three runs and struck out eight.

Newton, the hard-luck victim of A&M fielders, is the only moundman to post a win. Newton has twirled 13 innings, yielding 13 runs, five of them earned. He has struck out 12 and has an ERA of 3.25.

MINNEAPOLIS (AP) — Minnesota quarterback Bobby Cox, the engineer in the Gopher split-T attack, plans some appropriate work for the summer vacation—toiling on the railroad.

LEARN WHILE ASLEEP!

At last science has found a way for you to learn languages, vocabulary, facts, figures, memorize lessons—all while you sleep. For the real facts about this revolutionary university-tested method, send \$2.00 for 54 page fact-filled, illustrated instruction booklet: "Sleep-Learning—Its Theory, Application & Technique". Tells how to make device from radios, phonos, recorders etc. Where to buy assembled units and pre-recorded lessons and self-help psychological courses... plus hundreds of time-saving hints. Satisfaction is guaranteed. SLEEP-LEARNING RESEARCH ASSOCIATION, P. O. Box 610-CP OMAHA, NEBRASKA.
