THE DIVINE VIGIL

Scenes like this are as commonplace as the moonbeams that play on the nursery wall. Little Gail doesn't know it... but Daddy and Mummy "look in" on her every night.

But what of the hours when parents sleep? What of the busy playtime when Daddy's at work, and Mummy's in the kitchen, and Gail is out walking her doll? Who will "look in" then?

Centuries ago the Hebrew pilgrims went up to Jerusalem for the great feasts, lifting their eyes to the hills, singing the song of "The Divine Vigil."

He that keepeth thee will not slumber rang the voice of the leader. He that keepeth Israel shall neither slumber nor sleep answered the chorus.

Even the loving care of parents is no substitute for the faithfulness of God. When you worship in church next Sunday you'll be expressing the ageless conviction: *My help cometh from the Lord.*

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
