

Dairy Sets Cow Sale; Producing Too Much

Because the college dairy herd is producing too much milk, 37 purebred Jerseys and Holsteins will be auctioned April 10 by the Dairy Science Department, according to Dr. R. E. Leighton of the D. S. Dept.

By the College Herd's production, the cows might be considered culls, but by standards for the average Texas dairy cow, most of the cows would be prime additions to most herds, Leighton said.

We try to keep the production in line with the demand at the College, Leighton said. But we have been getting more than the college can use, and the bulk tank at the dairy isn't big enough to hold all we are getting now, he said.

The cows will be on display at 11 a. m. April 10 and auctioning

will start at 2 p. m. at the dairy cattle center. Both oral and written bids will be accepted, with the right to reject any bid reserved.

Complete records for all the cows can be obtained from Leighton. The college herd has been operating under the Bangs Control Plan A, and no animal will be offered in the sale if she is known to have mastitis, Leighton said.

Seventeen Jerseys with production records ranging from 4,550 pounds on a two year old to 8,933 pounds are offered. Sixteen Holstein cattle with production ranging from 8,500 to 12,000 pounds are included, figured on actual production.

Classifications for the animals range from fair to very good, with most rating good and good plus, Leighton said.

Social Club's Fashion Show, Luncheon Follow Easter Theme

The Easter theme prevailed when members and guests of the A&M College Women's Social Club gathered Friday afternoon at the Memorial Student Center for a style show and luncheon.

The luncheon tables were draped in white and attractively centered with miniature dolls wearing tiny Easter hats and frilly frocks.

Among the dolls were runners of jasmine interspersed with pansies, sweetheart roses, cornflowers and Indian paint brush, and each place was marked with a miniature Easter hat.

The style show which followed the luncheon was presented by Beverly Braley's. For the occasion, the stage was decorated with an array of Easter bonnets, gay parasols and colorful flowers.

Mrs. Braley Presides

Mrs. Archie Kahan introduced Mrs. Braley, who officially ushered in the "Easter parade" of fashions to a background of soft music.

Mrs. Braley announced the models and commented upon the fashions they wore, ranging from sportswear and gardening attire to after-five and evening frocks.

Among the models were the Mesdames R. L. Holland, D. A. Slingerland, R. E. Branson, C. R. Colbert, T. J. Dunlap, Kahan, W. E. Whittington, C. V. Wooten, R. H. Burns.

Luncheon Pie-Pudding

Here's Main Dish Recipe To Vary Lenten Menus

This Lenten dish may appeal to you if you are looking for ways to vary Wednesday and Friday menus.

LENTEN LUNCHEON DISH

Ingredients: 3 eggs, 1/2 teaspoon salt, 1 cup milk, 2 table-spoons butter or margarine, 1 cup finely chopped onion, 1 can (3 ounces) sliced broiled mushrooms (drained), 1/2 cup finely grated cheddar cheese (packed down), Cracker Crust.

Method: Beat eggs with salt in a mixing bowl with rotary beater (hand or electric) until thickened and lemon-colored. Beat in milk. Melt butter in 8-inch skillet; add onion and mushrooms; cook slowly until onion is transparent but make sure it does not brown. Sprinkle mixture over bottom of Cracker Crust; sprinkle with grated cheese. Pour egg-milk mixture over cheese. Bake in moderate (350 degrees) oven about 45

minutes or until custard is set—a silver knife should come out clean when inserted in center. Serve at once. Makes 6 servings.

CRACKER CRUST

Ingredients: 3/4 cup cracker crumbs (finely crushed), 1/4 cup butter or margarine (soft).

Method: Mix cracker crumbs and soft butter together thoroughly. Press over bottom and sides of a heat-resistant glass pie plate (9 1/2 by 1 1/2 inches); chill. Fill as directed in recipe for Lenten Luncheon Dish.
