

## Dallas Golf Meet Won't Give Up

DALLAS, (AP)—The Dallas Women's Open Golf Tournament, which ended here Monday with Wiffi Smith of St. Clair, Mich., winning first place, may lose money but that won't prevent it from being held again next year.

Dr. Charles Yates, tournament chairman, said flatly that the tournament, harassed by bad weather both years of its existence, would be carried on. "We are not giving up," he declared. "This tournament has a terrific potential as a fund raiser for the Dallas Council for the Deaf."

The tournament had only one good day weatherwise. Officials said they figured they would be doing well to break even financially.

## Major Leagues Underway With All 16 in Action

BALTIMORE, —(AP)— The Boston Red Sox concentrated five of their nine hits for all their runs in the fourth inning and then stayed off a late Baltimore rally Tuesday to win their opening baseball game 4-2.

CINCINNATI, —(AP)— The Saint Louis Cardinals cut loose with a 17-hit barrage yesterday to give the Cincinnati Redlegs a 13-4 beating.

CLEVELAND, April 16—(AP)— An 11th inning single by Larry Doby scored Luis Aparicio from second base and gave the Chicago White Sox a 3-2 victory over the Cleveland Indians.

CHICAGO, —(AP)— The Milwaukee Braves uncorked a four-run sixth, fused by Johnny Logan's two-run homer, to back Warren Spahn's four-hit pitching for a 4-1 season-opening triumph over the Chicago Cubs yesterday.

KANSAS CITY, —(AP)— Big Tom Morgan proved his worth as a starting pitcher Tuesday by limiting the Detroit Tigers to four hits and giving the Kansas City Athletics a 2-1 victory.

PITTSBURGH, —(AP)— Johnny Antonelli, New York's ace southpaw, bobbled a bunt in the fifth inning to load the sacks and the Pittsburgh Pirates took advantage of the miscue for two runs and coasted to a 9-2 victory over the Giants yesterday.

NEW YORK, —(AP)— Andy Carey singled over Karl Olson's head in left field with the bases loaded in the ninth Tuesday and gave the New York Yankees a 2-1 opening day victory over Washington.

PHILADELPHIA, —(AP)— Gino Cimoli's 12th inning home run, the third off pitcher Robin Roberts, the National League's gopher ball king, powered the Brooklyn Dodgers to a 7-6 victory over the Philadelphia Phillies last night.

WAYNE SCHAPER — Aggie pitcher—first baseman who has yet to pitch an inning for A&M. As a first baseman, Schaper has three hits in 17 trips for a .176 average.

## Choke in Tight Spots

# Ags Hitting Well Lack Elsewhere

By JIM CARRELL

The Aggie baseball squad continues to hit in a manner unaccustomed to teams of previous years but find themselves lagging behind in those assets which were once the marks of A&M ball clubs.

Going into a series with the Brooke Army Medics at San Antonio Thursday and Friday, the Aggies find themselves batting .245 in 11 games and boasting a conference average of .248, falling from their league leading percentage of .267 a week ago.

These percentages at the plate compare with a year ago when the Aggies finished the season with a .212 average and conference with a meager .191.

However the performance of Coach Beau Bell's 1956 club was better at season's end than the record that might be predicted for this year's club.

This season the Aggies stand on a 2-9 record and a SWC mark of 1-6 where last year the season won-loss total was 10-13 and in conference 5-9. If this year's team, with higher-grade material, is to improve on the record of a year ago, the standard of play must improve . . . and hustle, an important factor in winning, must be acquired somewhere along the way. Maybe it's too late now.

Then again, perhaps experience is the answer. There is an attitude of "wait until next year" among the players, but for a team that

can't win this year, what is there in their performance that makes them think they'll be any better.

Sophomore play has been the mark of this year's club and those assets which made a conference champion in 1955 and a better record ball club in 1956 have been noticeably absent.

Outfielders have missed fly balls, infielders have been caught out of position, the pivot man has been slow on his throws to first for the double play, wild throws and bone-head plays have been plentiful, and most of them when they hurt most.

A current trend in sports is to place the blame on the coach but errors are made by ballplayers and not even the best manager can keep a batter from choking when the clutch hit is needed.

Pitching was supposed to carry this year's club but the performance of the mound staff has been spotty and unearned runs have come frequently enough to discourage even the best of pitchers.

Southpaw Toby Newton has the best record, winning one and losing three. He has pitched 32 2/3 innings, giving up 11 earned runs of 25 scored against him, issuing 25 walks and striking out 29. His ERA is 2.93, third best on the club.

Captain Dick Munday's brilliant nine-inning stint against SMU was only the second complete game by an Aggie hurler this year and certainly was the most impressive.
