WE ALL HAVE OUR DREAMS

Yes, we all have our dreams. Perhaps sometimes, they are mere projections of our selfishness... hopes unfair to others... ambitions dangerous to ourselves.

But often, they are healthy, honest aspirations... opportunities which zeal deserves... victories which justice demands.

Is it wrong to dream such dreams? Does God frown on honest hope and love?

Of course not! Rather, God has given us minds able to dream, and souls courageous enough to seek the difficult—even the impossible.

But the Divine Architect helps man to model his castles in the air, and provides the tools for their building. With faith and the guidance of the Church a man may realize hopes and aims which a cynical world calls futile.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
