# Proposed Insurance Plans Need Senate OK

**Editor's note—**Following are the main points of two proposed insurance plans presented to the Student Senate meeting Thursday to be acted upon at the next Senate meeting. Both are non-compulsory.

Plan A is a policy submitted by the Continental Casualty Company paying up to \$1,000 with \$10 deductible unallocated for accidents causing injury and up to \$1,000 in case of accidental death or dismemberment within a period of 100 days following the accident and resulting from it.

The benefits received can be used for any item of expense pertaining to the accident except those specifically excluded in the policy.

The plan, which would cost each student participating \$4.50 per year, would cover all full time students 24 hours a day for the full 12 month year. All vacation and interim periods (such as Christmas, Easter, between semesters and summer) will be covered. Students would be covered at school, at home or while traveling. Those students not wishing to participate in the plan could sign a waiver card before beginning the fall semester and their names would not be included on the insurance list.

A student can participate in this plan even if he has other policies.

Payment will not be made for expense in connection with: services rendered by the school health service; war, or any acts of war; services rendered to the student while he is in attendance at the school unless such service is approved by the health service authorities; eyeglasses or prescriptions; private or chartered non-scheduled flying (commercial flying covered); dental treatment, except for injury; first aid for athletic injuries and injuries received as a result of play or

practice of interscholastic sports (intramural sports injuries covered).

Plan B is another policy by Continental which covers both sickness and accidents. The plan, which has a premium of \$10.50 per year, carries the same benefits for accidents and accidental death or dismemberment, but also includes sickness protection for the student while at school or away.

For each sickness causing the student expense the company will

## Room Reservation Deadline Set

May 31 is the deadline for reserving rooms in the Memorial Student Center for football, dance and other special weekends during the 1957-58 school year.

These reservations are not transferable and only one reservation will be made to each family.

After the May 31 deadline a drawing will be held to determine who will receive accommodations and the persons will be notified by mail. Those failing to receive accommodations will be placed on a waiting list and in case of cancellation they will be given a reservation.

## CS Lions Receive Attendance Buttons

Fourteen members of the College Station Lions Club were named to receive 100 per cent attendance buttons yesterday at the weekly luncheon of the club in the Memorial Student Center.

Those named include R. C. Bell, J. F. Birkner, W. A. Boney, D. E. Davis, R. P. Foster, S. M. Gaafar, L. E. McCall, A. B. Medlen, J. M. Palmer, W. E. Paulson, A. A. Price, J. R. Watkins, L. C. Grumbles and A. A. Lenert.

J. F. Birkner and C. W. Jeffries announced their resignations from the club due to change of residence and Herb Thompson applied for a leave of absence until September.

pay hospital room and board charges up to \$12.50 per day with a limit of 30 days for each sickness.

The coverage provides up to \$50 to cover such hospital expenses as x-rays, blood tests, operating room charges, drugs, medicines, dressings and other such miscellaneous expenses.

When a student requires surgery the company will pay from \$7.50 to \$225 according to the type of operation. Any operation not specified in the schedule included with the policy will be provided for according to its severity.

The plan will pay \$3 per doctor's visit in the hospital with a total allowable for all calls for each sickness of \$90.

When a student is not in the hospital, doctor's visits are covered up to \$3 per call beginning with the third call, to a limit of \$75 for each sickness.

When a surgical operation is required because of a sickness, the company will pay the expense actually incurred for such an operation, including post-operative care. A percentage of \$225 will be paid (according to the severity of the operation) for such expense. Not more than \$225 will be paid for all operations performed as a result of any one sickness.

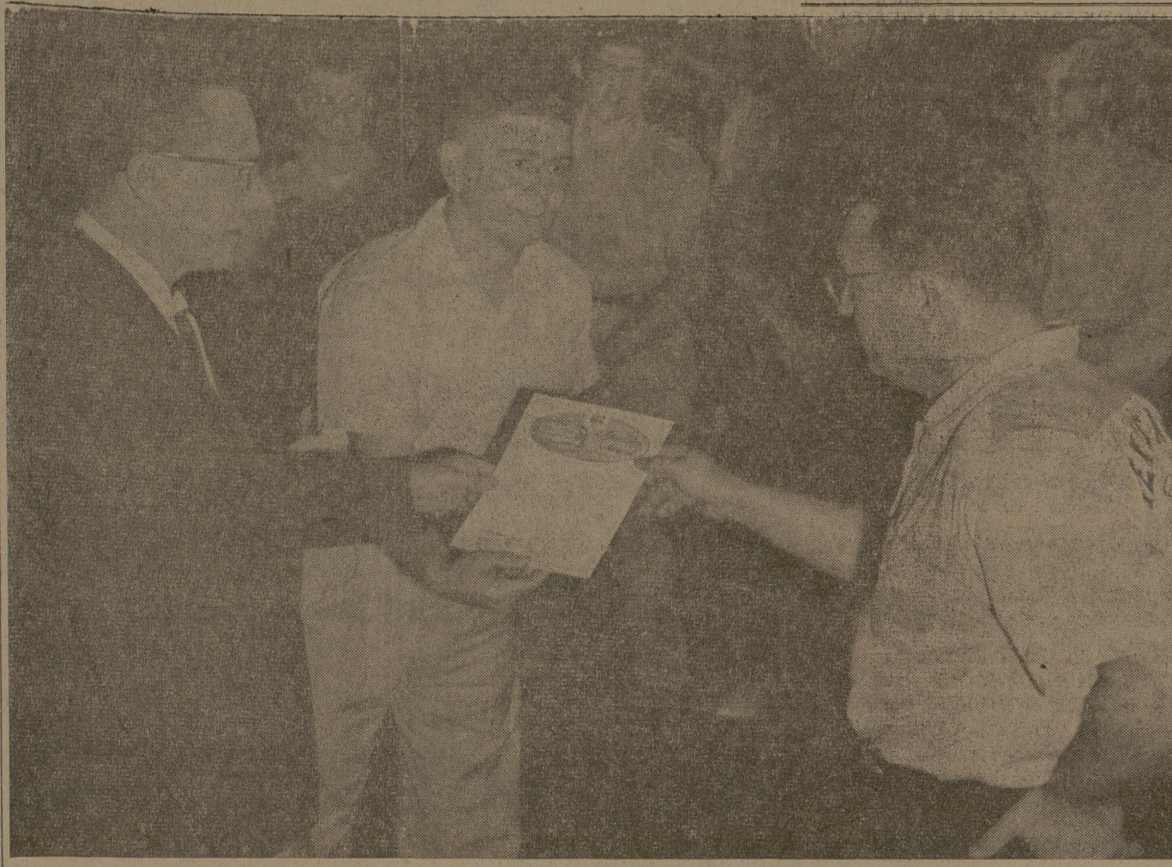

In addition to the payments which won't be made for the first policy and which apply to the second in accident coverage, this sickness plan does not cover expense for preventative medicines or vaccines.

Students not desiring to participate in this plan could waive it similarly to the other plan.

## A&M Garden Club To Install Officers At Friday Meeting

Officers for the coming year will be installed at the meeting of the A&M Garden Club at 2:30 p.m. Friday in the social room of the Memorial Student Center.

Mrs. D. W. Williams will describe proper methods in the preparation of soil for plantings. Mrs. C. B. Campbell and Mrs. A. B. Nelson will tell of their practices in successful culture of day lilies and iris.

## Town Hall Staff Interviews Open

Interviews for the 1957-58 Town Hall staff will be held next Monday at 7:30 p.m. in Dorm 9, Room 108.

Students who will be classified as juniors next year and have a grade point ratio of 1.25 or better are eligible for one of the 15 available positions. Those chosen will serve as hosts and ushers for Town Hall programs next year.

## Social Whirl

Aero Wives have scheduled an important business meeting for 8 p.m. Wednesday in the Aero Lounge. On the agenda are election of officers and party plans.

Civil Engineering Wives Club will meet at 8 p.m. Wednesday in the south solarium of the YMCA. W. R. Horsley will speak on "Problems and Procedures of Married Couples in the Professional Field." All members are urged to attend as officers will be elected.

The party for graduating members of the Geology Wives Club will be held at 8 p.m. Wednesday, May 8, at the S. A. Lynch home.

All senior wives who have paid their dues and who wish to receive Ph.T. degrees should call Ann Long, TA 2-8051, after 5 p.m. no later than May 6.

A meeting of the Entomology Wives Club has been called for 7:30 Wednesday night at the home of Mary Hightower, 307 Day St., Bryan.

## Judging Teams Here This Week

Twelve hundred Texas FFA boys will compete in the Future Farmers of America State Judging Contest Saturday here to pick the outstanding high school FFA judging teams in the state.

Three hundred vocational agriculture teachers, who coached these teams to top places in the area contest, will be on hand to witness the efforts of their students.

The contests are sponsored each year by the state FFA organization and directed here by the Agricultural Education Department, with the aid of other agricultural department faculty members. Assistants in charge of each phase of judging will be:

Meats, T. G. King; dairy judging; Murray Brown; Livestock; W. T. Berry; poultry; E. D. Parnell; dairy products, Isaac Peters and land judging, J. F. Mills.
