## Family Favorites

By MAY HILDRETH

(Former Iowans, the R. J. Hildreths and their two youngsters—Christi, 7 1/2, and Jeff, going on 5—moved to Texas three years ago. Dr. Hildreth is on the faculty of the Agricultural Economics and Sociology Department at A&M.)

### FRITO PIE

This recipe was given to me by the wife of our former pastor. It was always a big hit at our church suppers:

Line bottom of pyrex dish with Fritos. Add layer of chili (canned or homemade) and finely chopped onion. Repeat layers of Fritos, chili and onion until you have the desired amount, and cover top with cheese.

It's a good idea to put a sheet of aluminum foil loosely over the top to keep cheese from getting too brown. Bake at 350 degrees about 30 minutes.

### CHRISTMAS SALAD

A favorite salad of ours is this one called Christmas Salad, but believe me, it's good year around.

1 package lime Jello	1/2 cup chopped nuts
1 tablespoon sugar	1 small can crushed pineapple
3/4 package miniature marshmallows	1/2 pint whipping cream
	1 box cottage cheese

Take Jello, juice from the pineapple to which water has been added to make 1 cup liquid, and sugar. Bring this mixture to a boil and then cool till jelly-like.

Beat till smooth, then add pineapple, marshmallows, nuts and cheese. Fold in whipped cream. To decorate, top each serving with half a maraschino cherry. Very pretty and delicious.

### BROWNIES AND MARSHMALLOW FILLING

I got this recipe from a dear friend, Miss Ruth Segelson, a teacher at Augsburg College, Minneapolis, Minn.

1/2 cup cocoa	1 cup sugar
1/2 cup Crisco	1 teaspoon vanilla
1/2 teaspoon salt	3/4 cup flour
2 eggs	

Melt Crisco, mixed with cocoa and salt, and then cool. Beat eggs, sugar and vanilla with flour. Then beat egg and cocoa mixtures together. Spread thin in greased 9 by 13 inch pan, and bake 20 minutes at 300 degrees.

Quarter 18 marshmallows or use enough miniature ones to just about cover top of brownies. Let marshmallows melt slightly, using oven a few minutes if necessary.

For topping boil together for 3 minutes: 1/2 cup brown sugar (packed), 1/4 cup water and 2 squares chocolate. Add 3 tablespoons butter and 1 teaspoon vanilla.

When cooled add 1 1/2 cups powdered sugar. After topping brownies with this mixture, cut into squares. This might sound like work, but it's very simple and quick.

### CHEESE CAKE

This is the best cheese cake I have ever tasted. It is a little on the expensive side, but oh, so smooth and good.

4 or 5 eggs	1/4 cup oleo
1 cup sugar	6-ounce package zwieback
3 8-ounce packages cream cheese	1 pint sour cream
2 teaspoons vanilla	2 or 3 tablespoons sugar

Beat eggs until creamy. Add 1 cup sugar gradually. Cream separately cheese, adding a little at a time. Add 1 teaspoon vanilla, and then beat all these ingredients together until smooth. Pour into 9 by 13 inch pan lined with crust made by mixing oleo, melted, with crumbled zwieback. Bake 30 minutes at 350 degrees.

Remove cake from oven and top with mixture of sour cream, 2 or 3 tablespoons sugar and 1 teaspoon vanilla. Return to oven and bake 10 or 12 minutes at 400 degrees.

## A&M Social Club Closes Year With 'Afternoon At Theatre'

A&M Women's Social Club met in the ballroom of the Memorial Student Center Friday for the final program meeting of this year. New officers were introduced by Mrs. Ide P. Trotter, president.

Iollah Belle Copeland, a Houston club and civic leader, emceed "An Afternoon at the Theatre."

The talent team presenting the program were members of Phi Beta fraternity.

Nelda Coleman played two piano numbers by Chopin. Nydia Dallas, teacher of speech, gave several dramatic readings.

To conclude the program, Sallie Garrison, a nationally known artist, sang a group of popular songs.

## Lutherans To Step Up Student Work

Lutheran church work on college campuses will be increased, delegates to the 35th convention of the Texas District of the church decided last week in Austin.

Property and student chapels are to be acquired on more campuses and financed by district budgetary funds.

At the present time, full-time campus work is being done at the University of Texas, with part-time work carried on by pastors who serve congregations in 44 Texas cities where colleges are located.

## Designers Use New 'Team' In Smart Styles

By DOROTHY ROE

Leather and chiffon is the unlikely combination that makes some of the season's smartest outfits.

Now that tanners have developed leathers that can be washed off with a damp cloth and are supple and lightweight enough to drape like fabric, there seems no end to the new tricks designers dream up for them.

There are leather dresses, leather evening coats, leather skirts, leather shorts, slacks and shirts in the current collections, in addition to the familiar standbys such as sports jackets and car coats.

Samuel Robert has designed a small group of striking outfits combining smooth calfskin and polka-dotted chiffon. One is a slim black leather shirt dress worn with a fluffy bow-tied scarf of white chiffon with black coin dots.
