**AND WHAT WILL THEY FIND INSIDE?**

Here's a handsome, happy family marching through the open doors of a church. But what will they find inside? A lovely sanctuary? Perhaps. A congenial group of people? Perhaps. An inspiring sermon and beautiful music? Perhaps. All these they may possibly find inside. But here is what they will **certainly** find.

- A group of people banded together by a common faith for a common purpose . . .
- Assurance that there is a God who cares and loves . . .
- Direction for the perplexities that each day brings . . .
- A demand to live as God would have them live . . .
- A cross as the divine source of faith, hope and love . . .

And if you go to church next Sunday, that's what **YOU'LL** certainly find too!

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
