Next time one of her dates bring up the Schleswig-Holstein question, she'll really be ready for him. Ready for that test tomorrow, too . . . if that bottle of Coke keeps her as alert tonight as it does other people.

Nichols Falls Behind In Race for Golf Title

A&M's Bobby Nichols, defending Southwest Conference individual golf champion, shot a poor, 73-72-145 in Austin yesterday after breaking his putter and using his No. 1 iron on the last seven greens.

Nichols fell seven strokes behind Texas' Phi Beta Kappa linksmen, Kirby Attwell, with only 36 holes left. Attwell shot a three-under-par 67 in the afternoon for a 36-hole total of 138. Trailing him by one stroke is SMU's Jerry Pittman, runner-up in 1956 with Don Harmon of Baylor in third place with a 140.

Rice's John Garrett, the 1955 co-champion, arrived late and played both rounds in the afternoon. Garrett, under the impression that the tourney started today, arrived at noon and started the 36-hole grind at 1 p. m. He trails Harmon with a 141.

In tennis yesterday, A&M's Rex Reed proved no easy task for top-

seeded Davis cupper Sammy Giammalva of Texas, though losing in straight sets, 6-3, 6-3, in the second round of the Southwest Conference tennis tourney. Reed, from Baytown, was A&M's only entry.

Giammalva now moves into the quarterfinals round and faces teammate Richard Keaton. Clayton Williams and Tommy Roberts of Rice face each other in the other singles match. Texas also has two doubles teams in the finals.

With first place conceded to the power-laden University of Texas Longhorns, A&M's thinyclads journey to Austin today to do battle with Rice SMU, and Baylor for the Southwest Conference number two position.

The Steers are expected to threaten the all-time high point total, 104, set by the Aggies in 1953 with perhaps the finest collection of athletes in league history. Texas has lost only once in 1957—to the NCAA champion University of Southern California Trojans.

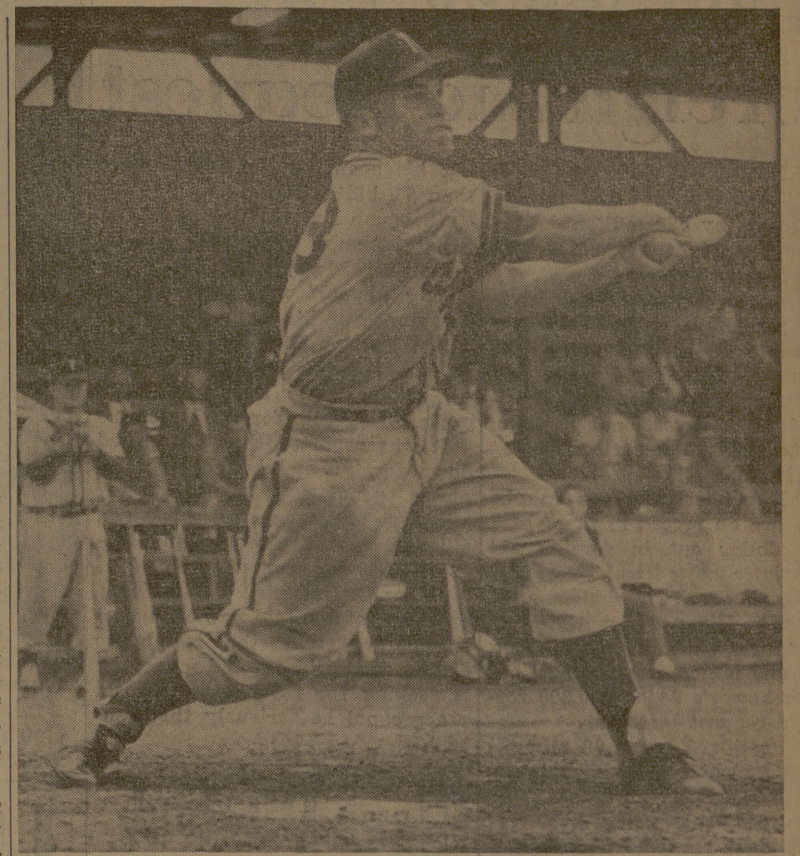

The freshmen also meet to decide a conference champ with A&M's Henry Bonorden given the best chance for a first. Texas

Tech, competing for the first time as a conference member, but in the freshmen division only, is rated slightly behind the Shorthorns for the title.

The Longhorns are heavy favorites in the 100, 220, 440, 880, mile, two-mile, high hurdles, broad-jump, and both relays. The Texas quartet of Wally Wilson, Eddie Southern, Hollis Gainey and Captain Bobby Whilden have erased the world standard with a 39.9 sprint relay and will probably lower the 40.8 conference mark.

Probable Aggie victories will come from the muscled right arm of Herman Johnson—the favorite in both the shot put and the discus and pole vaulters Winton Thomas and James Clark.

High Jumper Fritzie Connally, Dale Elmore in the broadjump, Emmett Smallwood in the low hurdles, Ed Bussa in the 440 and the mile relay foursome of Bussa, Andy Erisman, Robert McKnight and Johnny Roberts should pick up enough points to keep A&M in the tight race for second.

CUT AND SLASH BY HERRINGTON—Catcher Gary Herrington slashes one of Emil Tejml's pitches for a single in the 11th inning of A&M's game with Rice Wednesday. He later romped home from second on a wild throw by the third baseman on Lupe Fraga's ground ball. A&M won 6-5 and Herrington's batting average rose to .310.

A&M Win Will Eliminate Toads

Aggie Nine Meets TCU On Kyle Field Today at 3

By JIM CARRELL

Coach Beau Bell's Aggie baseballers attempt to put an end to TCU's SWC baseball title aspirations today, meeting the Frogs at 3 p. m. on Kyle Field.

TCU now has a conference record of 7-3 and an Aggie victory would virtually eliminate the Ft. Worth school. A&M has a SWC record of 3-8, picking up wins over Baylor and Rice this week.

Lefty Toby Newton is the likely starter for the Aggies who lost two games to TCU early in April by 6-4 and 7-5 scores. The Aggies have been fuming about losing those two games ever since and looking forward to this game.

There is, however, the possibility that the game might be postponed due to heavy rains which blanketed parts of the outfield yesterday. Grounds crews were attempting to drain the water off and Coach Bell was to call TCU's coach, Dutch Meyer, earlier today and make a decision on whether to play.

Righthanders Donnie Hullum and Dick Munday will be ready for relief work. Hullum threw three innings against Baylor Tuesday after Newton tired in the seventh with two on and none out, and Munday pitched 10 innings against Rice Wednesday but could be ready if needed.

Ags Try King, Court Here Again Monday

Rained out last night, the Aggie softballers will try to hit the slants of Eddie Feigner and his fabulous four-man team Monday at 7:30 on the lighted softball diamond.

Feigner is the phenomenal pitcher with the 1407-138-27 record for 10 years of hurling. He had struck out 29,867 batters, and averaged 24 per nine-inning game in one season. The amazing right hander has thrown 113 perfect games and 331 no-hitters.

Pitching blindfolded, Feigner has faced 2,148 batters, fanning 1,986 and once pitched 34 innings in one game in which he struck out 73 and allowed but eight hits.

Feigner's four-man team has won 943, lost 94 and tied 11 in 10 seasons, during which they have traveled over 480,000 miles and played before more than 5,000,000 fans.

Fish Meet Shorthorns Win Streak At Stake

Fastballing Percy Sanderson is Coach Les Palmer's mound choice as the Fish battle for the Southwest Conference lead and their sixth straight victory, meeting the Texas Shorthorns on Clark Field in Austin today.

The Shorthorns also have a victory string at stake, not having lost in 19 consecutive games since the Baylor Cubs beat them in May, 1955. They have won seven this year.

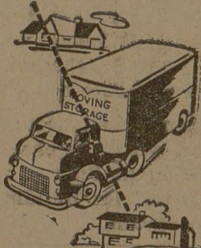

On Tuesday the Shorthorns return the visit by the Fish in a game scheduled for 3 p. m. on Kyle Field. Southpaw Don Pettavino is slated to start after his five-hit, 6-1 win over Allen on Wednesday.

season opener to Tarleton, 7-3, when line drives found fielders waiting and could do nothing right. They have since found themselves, walloping Dallas 18-9, Allen 15-6 and 6-1, and slapping Baylor twice Tuesday in Waco, 7-2 and 9-0.

Sanderson has won two and lost one this year, fanning 18 batters in 27 innings. The Nederland ace can really fire that ball in at the plate and boasts a sharpbreaking curve but has had trouble with his control. He had good control in his 7-2 victory over Baylor this week, however, walking only three.

A stylish righthander, Greg Martin, is due to start for Texas. He has won six of their seven victories this year, and is a likely starter next Tuesday.
