

Sport Struggle May Kill Games

NEW YORK — (AP) — Many of the smaller nations of the world fear the titanic athletic struggle between the United States and Russia—if not arrested—may ultimately kill the Olympic Games the president of the International Olympic Committee said Wednesday.

Avery Brundage of Chicago said this probably will be among the problems discussed at a six day series of Olympic conferences at Evian, France, beginning June 3.

"Understand, I don't share such fears because I feel we can take whatever measures are necessary before it gets out of hand."

Bosox Crush Indians

4-Homer Inning Equals AL Mark

BOSTON, — (AP) — Boston cracked out a record—tying four home runs in an inning including Ted Williams' 10th Wednesday as the revived Red Sox battered Cleveland, 11-0. Right hander Tom Brewer checked the Indians on four hits for his sixth triumph.

Gene Mauich, Williams, Dick Gernert and Frank Malzone connected for the homers in the sixth inning off Cal McLish to equal an American League mark the Sox set in 1940.

Williams was a party to that barrage in Philadelphia, too, on Sept. 24. He was followed by Jimmy Foxx, Joe Cronin and Jim Tabor.

Detroit's Dizzy Trout, Gerry Priddy, Vic Wertz and Hoot Evers duplicated the feat in 1950. Wertz currently is with Cleveland.

The major league standard for an inning is five held jointly by the New York Giants 1939 and Philadelphia Phillies 1949.

NEW YORK—The league leading Chicago White Sox sped to their ninth straight victory yesterday, 8-4, with the help of three New York Yankee errors, including a dropped fly by Mickey Mantle.

Chicago ripped into Yankee pitching for 11 hits, including Nellie Fox's second homer of the season. The sweep of the two game series left Manager Al Lopez' White Sox four full games ahead of the third place Yanks, who were supposed to run away from the American League. Second place Cleveland trails by three games.

CHICAGO—The New York Giants rewarded Alan Worthington's stout relief pitching Wednesday with a ninth inning run that beat the Chicago Cubs, 4-3, and

gained a split of their two game series.

Starter Ruben Gomez was lifted following Bobby Morgan's lead off single in the seventh, and Worthington yielded only one hit working the final three innings to earn his third win against as many losses.

WASHINGTON—Gus Zernial crashed two homers to provide most of the power as Kansas City belted Washington, 8-6, in a batting jamboree yesterday in top-coat weather at Griffith Stadium.

Zernial drove in three runs with his blasts, two in the opening inning, to send the A's winging to their first triumph in four games.

Vic Power of the A's, Jim Lemon and Roy Sievers of the Senators also hit home runs.

MILWAUKEE—Chuck Tanner drilled his first home run of the season, a long drive over the right field fence in the 13th inning last night to give the Milwaukee Braves a 4-3 victory over the Philadelphia Phillies and Robin Roberts who had gone all the way.

BALTIMORE, (AP).—Jack Tighe, rookie manager of the Detroit Tigers, echoed the confident feeling yesterday of Chicago's Al Lopez that the New York Yankees "can be taken" this season.

"They have some fellows who are getting a little old, and Casey Stengel tells me a couple are getting too content," Tighe said today. "That's something new on the Yankees—contentment."

Lopez, in the same vein, yesterday described the champions as "stagnant."

"They're not nearly as tough as last year," in the opinion of Tighe who is in his first year of major league managing.

"Their pitching on the whole is still pretty good, but it's not as sharp. Their bench is nothing near as terrifying as in past years. In other years, they had real wallopers to throw at you late in the game."

The 43-year-old Detroit manager said he felt no qualms about changing pitchers when the Yankees had the bases loaded and only one out last Saturday.

"I brought in a southpaw and Andy Carey hit into a double play." He said he would have been apprehensive in the past when the Yanks had such pinch hitters as Bob Cerv.

Texas, Arizona Meet in Austin

Cats Boast Hitters, Steers Have Pitching in Playoffs

AUSTIN, — (AP) — Arizona has the hitting and Texas boasts the pitching, and the NCAA play-off scheduled here May 31 to June 4 should be a lot of baseball.

Texas, only school ever to win the national title twice, will be seeking to return to the big show at Omaha, Neb., after an absence of two years.

Arizona has played in the NCAA three years in a row and last year was runner up to champion Minnesota.

The Wildcats come here with a blustery .368 club batting record, and the season mark of 34 victories against 10 losses makes Arizona the busiest team in College baseball. The Wildcats have averaged 11.2 runs per game.

But Texas has one of the finest pitching staffs in its history. The Longhorn twirlers have an earned run average of 2.60 with Howard Reed, ace of the staff, boasting a 7-0 record and an earned run average of 1.58. Harry Taylor, the next Texas pitcher, has won 6 and lost 1 and his average is 2.17.

Playing to represent District 6 in the NCAA, Texas, the Southwest Conference Champion, and Arizona, the Border Conference King, will meet the night of May 31, play the second game June 3 and the third game if needed June 4 in the afternoon.

Dr. Glenn Seaborg of California, conference spokesman, said the conference had changed its fining system so that penalties were assessed only for "substantial violations."

Southern California was penalized for "statements by a basketball coach during and after a conference basketball game during the past season."

Idaho was nicked for "illegal interviews of prospective students by a track coach."

SPOKANE, (AP). — Southern California and the University of Idaho were fined \$1,000 each Wednesday for violations of the Pacific Coast Conference athletic code.
