Thirteen graduating senior wives were honored at a social in the MSC May 17 given by the Industrial Engineering Wives Club.

An arrangement of assorted white flowers in a silver container flanked by silver candelabra centered the tea table where Mrs. A. R. Burgess and Janet Lancaster, retiring president, presided at crystal punch bowls.

Guests included I.E. faculty members and their wives, officers of the A.I.E.E. and husbands of members.

**Mothers-Dads Gave Generously To Consolidated**

With gifts to the schools totaling some \$1800, the Mothers and Dads Club of A&M Consolidated has completed a successful year, according to Major David Phillips, retiring president.

Primary purpose of the organization is to provide for the schools equipment and services which are not available through tax funds. Money earned by the club this year through various activities was used to purchase the following items:

Window blinds for first grade, \$230; films and film rentals, \$380; Water coolers, \$250; first aid supplies, \$60; electric fans, \$153; play ground equipment, \$200; physical education equipment, \$343. A donation of \$98 was placed in the piano fund.

Mrs. George Huebner, who will serve as president of the club next year, will call an executive meeting of the new officers soon to plan activities.

These new officers include Mrs. J. K. Riggs, Mrs. Bonnie Welch and Mrs. N. M. Randolph, vice-presidents representing the elementary, junior and senior high schools; Charles Roeber, treasurer; Mrs. R. H. Mitchell, recording secretary; and Mrs. Jim Bevans, corresponding secretary.

**Ag-Eco Club Elects 1957-58 Officers**

Mrs. Jimmie Holder was elected president of the Agricultural Economics and Rural Sociology Wives Club when the group held its final meeting of the season Monday at the home of Mrs. Jim Graves.

pint basket strawberries (washed and hulled).

Method: Cut pineapple in half lengthwise through plume. With a sharp knife—a curved serrated grapefruit knife is fine—cut around inside so you can remove pulp and have a fairly thin walled shell. Cut core from pineapple and discard; dice remaining pineapple—there should be about 4 cups. Mix pineapple with sugar to taste, cover and chill. Wrap pineapple shells in waxed paper and refrigerate. At serving time, slice or dice bananas and halve or quarter strawberries, leaving some of them whole. (Cut strawberries may need to be mixed with sugar to sweeten.) Gently mix pineapple, bananas and halved strawberries; fill pineapple shells with mixture; garnish with whole strawberries and serve. Makes 8 to 10 servings.
