Childhood is a brief span in the bridge of life. Yet it is during the early years that we lay the foundation for all that is to come.

Church School is over, and Eileen and Johnny linger on the church steps, talking about the lessons they've learned this morning. They both are excited because, under their teacher's guidance, the stories of the Bible are beginning to come alive for them.

We're not going to predict a "happy ever after" ending. We're not going to say that having met in Church School, Eileen and Johnny will go on seeing each other in church each week and that ultimately they'll grow up, fall in love, and get married. (Though, who knows? Maybe they will at that!)

But we are saying—and deeply believing—that through Church School these children and thousands upon thousands of other children are receiving religious education, an ever-expanding lesson in good fellowship, wisdom, kindness, and tolerance.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
