Family Favorites

By MRS. MALCOLM ENNIS

(The Ennises, a family of Texans, came to College Station two years ago from Los Alamos, N. M., having been earlier at the University of Texas in Austin. Dr. Ennis was with the Physics Department at A&M but left at the end of the spring semester to return to Los Alamos where he will work on a high energy X-ray device. His family will join him there during the summer, and they will make New Mexico their home. The Ennises have two girls and a boy—five-year-old Cary; Mac, seven, and Martha, who is nine.)

CHICKEN

Cut fryer into pieces. Salt and dip in flour. Melt 1/2 stick margarine or butter in a pan that can be covered closely, and brown the pieces of chicken. Add three chopped shallots (tops too) or equivalent amount of onion.

Pour over the chicken one can frozen orange juice, undiluted. Cover the pan closely, and bake chicken in a moderate oven until tender.

GUMBO

A hot dish—a soup—that's good even in hot weather. It's quick to prepare, a good way to use a handful of left-over ham or chicken. Shrimp goes well too. Use a pressure cooker.

- 3 chicken bouillon cubes 1 or 2 cups okra pods, sliced
- 2 cups water or whole
- 1 large onion or more, sliced meat
- 1 can tomatoes or fresh ones, 2 or 3 dashes of Tabasco when available

Dissolve bouillon cubes in water. Add onion, tomatoes, okra and meat. (Meat is optional. If stock is used, the soup is good even without meat.) Season with Tabasco.

Cover cooker and cap when ready. Bring pointer to proper level and cook about 5 minutes.

CUCUMBERS AND ONIONS IN SOUR CREAM

This "concoction" can be used as a salad, over lettuce leaves or chunks, as a relish, or with snack crackers as an appetizer. The flavor is better if marinated 6-8 hours.

- 1 cup sour cream 1 medium-sized cucumber sliced thin
- 1 tablespoon salad vinegar 2 onions, sliced thin (about the size of a snack cracker)
- (or more to taste)

Mix sour cream, vinegar and salt well and add remaining ingredients. Cover closely and refrigerate, stirring occasionally.

SOUR CREAM FROSTING

A fail-proof frosting that's not too sweet and has a wonderful texture.

- 1 1/2 packages chocolate chips 3/4 cup sour cream
- dash salt

Melt chocolate over hot water. Remove from heat; stir in sour cream and salt. Beat until smooth and creamy. Refrigerate for several hours before serving. Enough for 2 9-inch layers.

WEDDING DAY

"With this ring I thee wed."
Our marriage is beginning where a marriage should begin—in Church. Our hands meet across the Bible. My eyes fall to the printed page, and the verse I see there is so appropriate that I catch my breath in awe and amazement.

Here is the story of a king who long ago sought for a virtuous woman and was told that her price would be far above rubies. Here are detailed the qualities that a truly virtuous woman would have—faithfulness, industry, thrift, compassion, courage, strength, honor.

As I look up at my new husband, I feel a surge of humility. I make a silent pledge that these words in Proverbs will be my guide as his wife. They're a challenge, I know. A big challenge! But, with the help of the Church, I'm going to try to live up to them.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
