BIG NEWS!

The Church may not have its name blazoned across every front page, but it is big news just the same.

From infancy to old age, the Church offers many things to each and every individual.

The Church introduces human beings to God.

The Church develops man's spiritual life through experiences of worship.

The Church emphasizes the beautiful through its architecture, its services, whether ritualistic or informal, its music.

The Church develops leaders through its many activities.

The Church broadens man's outlook through its work of sending the gospel to those in far-away places.

The Church exemplifies the brotherhood of man through the welcome it extends to all who believe.

Last, and most important of all, the Church offers salvation and the assurance of eternal life for every believer.

Big news—the Church! Can you afford to miss it?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Zuckero Family Expresses Thanks

A recent letter addressed to the president, the deans and the faculty at A&M expressed the appreciation of Vic Zuckero's mother for the help he received here.

She said her son was now home from the hospital and was "doing well." "He now sits up for short times and can see a little bit out of either eye."

Zuckero, a field artillery senior, was stricken with spinal meningitis this spring. His hospital bill was running about \$100 a day and a fund started by the Student Senate netted the paralyzed senior over \$4,000, all of which went to pay the medical expenses.

Congress provided a half billion dollars for relief in the U. S. drought of 1934.
