CAN YOU LAUGH AT DUCKLINGS?

Betty can laugh at ducklings. She remembers that classic of the Ugly One who grew up to be a stately swan.

Betty laughs because she understands the story. She knows that some people, like ducklings, often scorn someone who is different.

But she knows, too, from her religious training, that there are times when a person must face the scorn of others and be different. In fact, already she has found that a primary aim of Christianity is to change life for the better . . . to help the individual be different so the world can be different.

Not everyone can laugh at ducklings. Some folks take quite seriously the dread of being different. For instance, there are men and women who don't attend Church, but who would like to. They simply feel awkward about breaking away from an indifference which they think is expected of them.

You can make it easy for the hungry-but-hesitant to attend Church. Always invite someone to worship with you.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
