## Leggett Hurler Pitches Perfect Softball Game

Martin Dvoracek pitched and batted champion Leggett Hall to a football-like victory over Hart Hall Tuesday night at the Aggie softball diamond with a score of 26-0.

The Leggett hurler pitched perfect ball, allowing no hits, no runs and not a runner to reach first base. And he paced the hitting attack with two home runs and a triple in five trips to the plate.

J. E. Marshall was the other hitting star for the Leggett nine as he pounded out four hits in four times at bat.

This season Dvoracek has a 3-0 record and has given up only 3 hits while striking out 19 batters. He has issued 4 bases on balls and thus far only 3 runs have been scored on him, with all of those being unearned.

Backing this championship pitching with good fielding and hitting are Joe Schmid, Jim Smith, Bobby Woodward, Channing Williams, James Farquhar, Billy Todd, Sam Jenkins, Marshall and Fred McDonald.

## Ag Graduates Commissioned Marine Lts.

Three Ex-Aggies, R. H. (Ronnie) Greathouse, M. F. Rogers and R. A. Kanz, were recently commissioned second lieutenants in the United States Marine Corps following their graduation from a 10-week preliminary training period at the Marine Corps Schools, Quantico, Va.

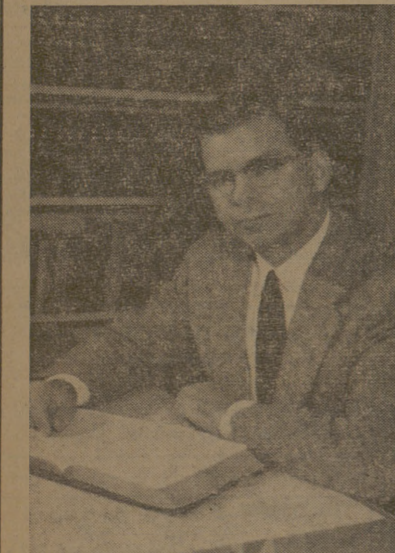

They graduated from A&M prior to being accepted for the Nineteenth Officer Candidate School of the Marine Corps.

The course emphasized leadership and physical fitness, and was designed to test the potential of its 148 graduates. The Officer Candidate Course is limited to college graduates throughout the country.

Greathouse was sports editor of The Battalion in 1955-56. (See picture below.)

## Muth Hurls No-hit, No-run Ballgame

By MAURICE OLIAN

Riding the no-hit, no-run pitching of Dennis Muth, Ken Midkiff's Red Sox blanked the high-flying Orioles of Wayne Smith 5-0 Tuesday night to annex the full season title of the American Little League South.

In the second half of a twin-bill (The first game of the season-concluding double-header was the Minor Little League all-star battle.) witnessed by the largest throng to see a game at the College Station Little League Park this season, Muth was in top-notch form as he twirled his second consecutive no-hitter, the only two such masterpieces hurled in the loop in the 1957 campaign. The fast-balling righthander walked three, fanned seven Orioles, and faced just 20 batters in the six-inning affair.

The usually heavy-hitting Red Sox made the most of only four safeties off Jimmy Nail to score once in the first and fifth innings and added three tallies in the sixth frame.

These two clubs had reached the sudden-death play-off stage like this: the Orioles won the second half crown with a 9-0 mark after the Red Sox had taken the initial half pennant with a 6-3 record.

In the individual batting race, Nail took the top honors with a nifty .510 mark and also paced the loop in almost every other offensive department. He tied Muth for the most base blows, with 26, and led in runs scored with 25, in runs-batted-in, with 35, in home runs, with 10, in total bases, with 61, and in slugging percentage, with an amazing 1.196.

Muth pounded the most doubles, eight, and Jimbo Bevans of the White Sox topped the league in stolen bases, swiping eight. Three players—Jack Fugate and Hubert Hearne, both of the Red Sox, and the Senators' Jody Rush—each finished the season with one triple.

## CS Netters Trek To Tyler Today

Five of Coach Horace Schaffer's College Station netters are in Tyler today competing in the fourth annual East Texas Open Tennis Tournament, which continues through Sunday.

The local tennis players making the trip—Don Avera, Jack Armistead, Bruce Thompson, Susan Dowell and Pam Sperry—will all compete in singles as well as in doubles in the 15-and-under age division.

Armistead and Thompson will pair in boys' doubles, while Miss Sperry and Miss Dowell will team in girls' doubles.

Mixed doubles will find Miss Dowell teaming with Avera, who will compete in boys' doubles with a partner from some other city.

Tournament Director Bill Lust has announced that the mixed doubles will be held in one division regardless of age.

The NCAA championship North Carolina basketball team had seven individual records last season. Six were made by Lenny Rosenbluth, the other by Pete Brennan.

## Consolidated FFA At Convention

The A&M Consolidated FFA Chapter was represented at the twenty-ninth annual State FFA Convention in Fort Worth last week by the president, Kenneth Cooner as voting delegate, vice president, Edgar Feldman as alternate and Jim Tom House, advisor.

The officers of the chapter have met three times during the summer to plan the activities of the chapter for next year.

Four of the officers made an educational and recreational tour of the Rio Grande Valley during the early part of July. They toured King Ranch, Matamoros, Port Isabel, Brownsville and Padre Island. Those making the trip were Cooner, James Barker, Sidney Greer, and Bobby Ross.

Michigan State's 1956-57 basketball team played before crowds of more than 10,000 on 10 different occasions.

## Try This Method Of Removing Stain

The fresher the perspiration stain on a dark cotton dress, the better chance for removing it, say textile chemists.

Try washing the stain in warm water, rubbing soap or synthetic detergent into it. If the fabric has discolored, sponge a fresh stain with a little vinegar and water solution; for an older stain try a little ammonia and water to help restore color. Rinse thoroughly.

## Bringing up a husband is no easy job!

Husbands have to be fed three times a day, and watched over seven days a week, 52 weeks a year. Some of them need to be told when to buy a new suit, when to have a physical check up. They need praise when things go right and sympathy when things go wrong. And almost all of them have to be reminded about making plans for retirement.

It's a good thing a husband's love is worth all the trouble he causes.

Retirement is in the future for all of us. And the sooner we start making plans for it, the happier these years can be. Does your husband have a hobby? If not, urge him to develop one. Does he have a retirement savings plan? If not, encourage him to start one. Good health, outside interest, and freedom from financial worries spell happiness in retirement.

One of the best ways to prepare for retirement is to invest regularly in U. S. Savings Bonds. They're solid as a rock—guaranteed by your Government. They're loss-proof, fire-proof, theft-proof—the Treasury will replace them without charge in case of mishap.

And best of all, U. S. Savings Bonds now pay you higher interest—faster! Every Series E Bond purchased since February 1, 1957, pays you a safe and sure 3-3/4% interest when held to maturity. It pays higher interest, too, in the earlier years, and matures in only 8 years and 11 months.

So now, more than ever, it's smart to save with guaranteed-safe U. S. Savings Bonds. Your husband can buy them regularly where he banks or through the Payroll Savings Plan where he works. But just be sure he starts today!

Part of every American's savings belongs in U. S. Savings Bonds
