Bowling Honor Presented By CS Civic Group

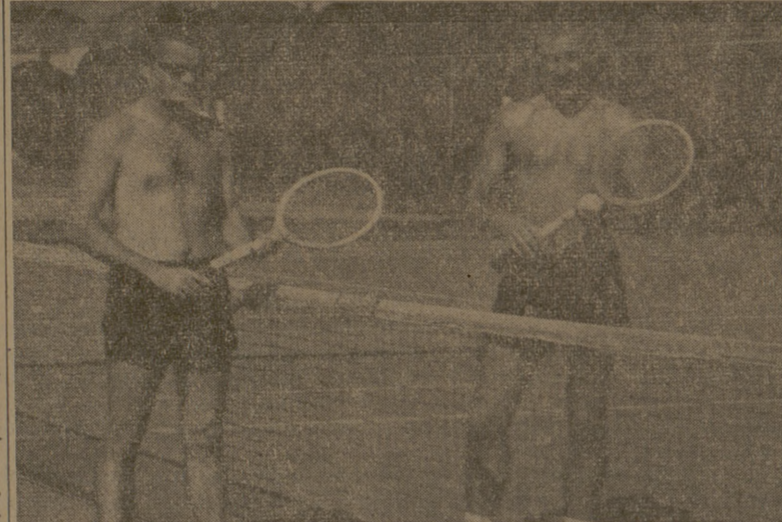

In the meeting which concluded the eight-weeks bowling course offered as part of the College Station Recreation Council summer program, Jim Mills, Jack Armistead, Eleanor Worley, and Gayla Christensen were presented the top awards in the Memorial Student Center during the past week-end.

Presenting the trophies to the afore-mentioned quartet was Charlie Haas, College Station Recreation Council president.

Miss Christensen and Miss Worley were selected as the outstanding all-around bowling students among the girls in the 13-16 and 8-12 age groups, respectively, while Armistead and Mills received their trophies as the best all-around bowling students among the boys in the same age groups.

In the estimation of Certified Bowling Instructor John Geiger, director of the annual summer course, one of the most pleasing points of this year's program was the fact that there were less students per instructor than in previous summers, thereby providing for more individual instruction.

Other than Geiger, instructors for the course which began on June 12 included Marge Dozier, Mayme Lee Lane, Pat Sakanich, and Mary Faulk. Total enrollment for the program numbered 55, with all but three of this total being College Station residents. Twenty-five of the 55 were in the older class, the 13-16 age group.

JOHN McCARTY AND PETE HOGUE are taking advantage of the concrete tennis courts, which are available through the summer recreation program.

Pro's Son Tires But Pop Plays On

DAYTON, Ohio — (AP) — Former Masters champion Claude Harmon had a companion during most of his rounds of the PGA championship in his son, Claude (Butch) Harmon, Jr. However, on the fourth day of the five-day event, golfer Claude missed his son until his match for a chance at fifth place went into overtime.

"You just returned in time," said golfer Claude. "I was putting well until you left me. What happened?"

"I got tired," said the 13-year-old Butch.

Harmon won the match against Jay Hebert by dropping a 15-foot putt on the 20th hole.

However, that night Harmon learned that Mrs. Harmon was ill and was forced to fly home to Mamaroneck, N.Y.

On the last day he had to default to Open champion Dick Mayer, his former pupil, for a chance at fifth place.
