What Makes You The World's Best Shopper? *
IT'S THOSE CLIPPINGS IN YOUR HAND!
It's a fact that American women are the most qualified shoppers in the world. Because of the intensity of newspaper advertising, American women have more information about more products, and so can compare value and price to get the most for their money. The largest single advertising voice in our country is the local newspaper. And what's more, take it with you when you shop. Or you can clip the ads out, as reminders to you to take advantage of the bargain you read about.
