## Texas Tech Faces Diminishing Hope

LUBBOCK—Although the Texas Tech Red Raiders are being given virtually no chance of beating either A&M or Baylor this year, they have one ally—precedent.

History shows that in the five previous years Tech has played two Southwest Conference teams in Lubbock the same season, the Red Raiders have won at least one of the games.

Before Coach DeWitt Weaver and his Raiders gain too much solace from that, however, it could be pointed out that those five Tech teams never met a pair as rugged as the Aggies and the Bears, currently picked one-two in the conference race.

In 1932, for example, the Raiders won a pair in Lubbock, over fifth place Baylor 14-2 and sixth place Southern Methodist 6-0.

Second place Baylor was 13-0 victim in 1933, but Tech faltered before sixth-finisher SMU 14-0.

Another split was chalked up in 1934, Tech winning from cellarite Baylor 14-7 but bowing to runner-up Texas 12-6. Bohn Hilliard provided the difference with the longest run from scrimmage in Southwest Conference history, a 94-yard scamper.

Tech broke even a third time, in 1942, edging Texas Christian, third in the conference, 13-6 but losing to Baylor, fourth, 14-7. Another long run featured in the outcome, a 91-yard punt return by the Bears' Bill Coleman.

In 1945, the last year Tech entertained two SWC teams, the Raiders defeated TCU, fifth that season, 12-0, but were held to a tie by sixth place Baylor, 7-7.

Tech meets A&M Sept. 28 and Baylor Oct. 29. The Raiders also play Arkansas, in Little Rock Nov. 23.

A&M's and Baylor's strength may offset history, but despite talk of the clean sweep by the opponents the games are causing some smiles around Tech. Business manager Jimmie Wilson is down to the end zone for the A&M contest and is selling tickets on the 10-yard line to the Baylor game.

## Senior Attends Signal Program

Dixon W. Coulbourn is one of 28 selected Senior Signal Corps ROTC Cadets of universities and colleges throughout the nation to begin a four-week period of civilian summer employment at the U. S. Army Signal Engineering Laboratories in Fort Monmouth, N. J.

Coulbourn will select an assignment from 96 projects in electronics and military communications. The program is designed to acquaint cadets with Signal Corps functions of the Laboratories and to afford them an opportunity to observe Government research activities as it relates to their chosen fields of technical study.

## Second And Third Place Points High But Fail To Qualify For Top Position

By MAURICE OLIAN

College Station Swim Club—rapidly becoming the "bridesmaid" of Texas aquatic gatherings—again placed high in the team standings last week-end but could not muster quite enough points to capture the squad championship at the State AAU Swimming Championships in San Antonio.

As they have done so often previously this summer, Coach Art Adamson's tankers scored heavily with second and third places in the individual and relay events to finish third in the team standings at the two-day meet.

Although failing to grab a single first place, the College Station Swim Club—with 53 points in the men's division and 39 tallies in the women's division—racked up a healthy total of 92 points, falling behind San Antonio (a sum of 136 markers) and the Spring Branch Dads' Club (122 over-all points).

Odessa, fourth in the combined standings, won the men's division with 70 points. San Antonio finished second in this classification with 59 points, only six more than College Station.

In the women's division, the Dads' Club captured first thanks to their 120 tallies, and San Antonio's 77 points placed in front of the locals.

Local swimmers placed second six times in the state-wide affair, finished third on five occasions, and came in fourth in a quintet of events.

Eileen Cossani took second place in the women's 220 yard freestyle and also in the women's 440 yard freestyle.

Orlando Cossani placed third in the men's 220 yard breast stroke, third in the men's 440 yard individual medley, and second in the men's 110 yard butterfly.

In the men's 220 yard backstroke, John Harrington finished second, while Dick Hunkler took third in the men's 110 yard freestyle.

The women's 110 yard butterfly found Gail Schlesselman placing third, and Pam Hayes managed third place in the women's 220 yard breast stroke.

Second places went to the men's 440 yard freestyle relay team (Harrington, Tetsuo Okamoto, Frank Holmes and Hunkler) and to the men's 440 yard medley relay foursome (Harrington, Okamoto, Orlando Cossani, and Hunkler).

Snaring fourth places were Okamoto, Harrington, and Gail Schlesselman in individual events, the women's 440 yard freestyle relay team (Judy Litton, Ann Schlesselman, Gail Schlesselman, and Eileen Cossani), and the women's 440 yard medley relay team (Mary Frances Badgett, Hayes, G. Schlesselman, and E. Cossani).

Others not previously listed, but who also contributed to the point total of the College Station Swim Club, include Bill Farrar, Skippy Fletcher, Claro Hernandez, Don Draper, Ann Cleland and Patsy Varvel.

Complete results of local swimmers in the State AAU Swimming Championships are as follows:

**Men's Division**

## Bizzell And Hart Will Remain Open

All dorms except Bizzell and ramp C of Hart Hall will be closed and locked at 6 p.m., Friday, August 23.

Students who wish to remain on the campus between terms may register for Bizzell or ramp C of Hart Hall for this period by paying room rent of \$8.35 at the Fiscal Office and present the receipt at the Housing Office, Room 16, YMCA. This includes students now living in Bizzell and ramp C of Hart Hall. This registration must be completed by 5 p.m. Friday, August 23.

Students who will not live in the two open dorms this fall but who will live there between the semesters should move the bulk of their belongings to the room they will occupy in the fall and take only what will be required for a few weeks to Bizzell and Hart.

## Three-way Tie Deadlocks League

After a three-week "spring training" period, play in the College Station Recreation Council Men's Softball League began in earnest last week-end, with three teams currently deadlocked for the loop lead.

The Tigers, Flashes, and Eagles each own 1-0 records in the "for real" competition. In last place are the Duffers with a 0-2 mark, although the Tired Nine are also 0-000 percentage-wise with a 0-1 slate. The Vets have yet to play a game.

In the "spring training" pro-

gram, the Tigers walked off with a perfect 4-0 mark. Strung out behind them were the Tired Nine (2-1), Vets (2-1), Flashes (1-1), Eagles (1-3), and Duffers (0-4).

During the past week-end, the Tigers slipped by the Duffers, 12-10; the Eagles trounced the Tired Nine, 19-5; and the Flashes smashed the Duffers, 20-5. The Vets-Flashes game of Friday was postponed.

As usual, twin-bills will be unreeled tomorrow and Saturday at the intramural diamond south of The Grove. The first battle gets underway at 6 p.m., and the second half of the double-header starts at 8 p.m.
