

# Organization Of Senate Changed

Organization of the Student Senate is changed for the ensuing year following the report of the Senate Evaluation Committee last spring.

With the new set-up, there are representatives from each school, four senators at large, four freshman senators elected following the November grade reports, four officers, four ex-officio members and four chairmen of standing committees.

All senators, except for the freshmen, are elected at the general elections held in the spring.

Ex-officio members include the deputy Corps commander, vice president of the Civilian Student Council, vice president of the Memorial Student Center Council, vice president of the YMCA Cabinet and any students attending A&M who are in the TISA.

There is one academically classified sophomore, junior and senior

elected by their respective classes to represent the school in which they are enrolled.

Representing the Graduate School in one man selected by the dean of that school.

Only members of the Basic Division will be able to cast ballots for the freshmen senators in the November special election.

President of the Senate for 1957-58 is Bob Surovic. Other officers now maintain certain requirements in order to be eligible. For instance, the Senate vice president must be academically classified junior and he is elected "at large" by the student body. The parliamentarian must be a senior while the recording secretary is a sophomore.

Standing committees, whose chairmen were elected in the general election, include the Issues Committee, Student Life Committee, Student Welfare Committee and the Public Relations Committee.

# Kiwanis Prexy Nominated At Weekly Meet

John Longley was nominated for president of the College Station Kiwanis Club in a report from the Nominating Committee at the Tuesday meeting of the club.

Other men nominated for positions were Bob Shrode, first vice president; Bill Krueger and K. A. (Cubby) Manning, second vice president; and Allan Madeley, H. O. Kunkel, Rudy Leighton, Homer Adams, Herbert Hooper and John Southern, directors.

Outgoing president, W. E. (Woody) Briles, was awarded his past president's pin by Longley, who extended the best wishes of the club and told him of their appreciation for the fine job he has done as president. Briles is moving to Dekalb, Ill., in September.

George Summey, former head of the English Department and member of the club, spoke to the group on "Our Overstuffed Vocabulary."

Richard Wainerdi, supervisor of nuclear research for the Engineering Experiment Station, was introduced as a new member of the club.

Next week's meeting will be a round table gathering in the Memorial Student Center Fountain Room.

# MSC Open House For New Students

The Memorial Student Center will sponsor an Open House and reception for new students, their parents and friends in the Ball Room from 7 to 9 p.m. Tuesday, September 10.

Heading the receiving line will be Dr. and Mrs. D. W. Williams, acting president of the college, Dr. and Mrs. Robert B. Kamm, dean of Basic Division and Student Personnel Services.

Also part of the receiving line will be several department heads and other college officials. President of MSC Council, Don McGinty, '58, and vice president Don Cloud, '59, will also be there to greet the visitors.

All committees of the MSC will have booths and displays in the Ballroom with representatives to welcome the students and explain the committees. Those students who wish to sign up to work with these various groups may do so at this time.

About 125 girls from Bryan and College Station will serve as hostesses for the occasion. They will meet the students and show them around the building, introduce them to the faculty members and direct them to booths which interest

FIRST YELL PRACTICE to be held will be Thursday night at 7 in The Grove. Head yell leader is Ted Lowe.

# Married Students' Housing Scarce

Living space for married students will be scarce this fall, according to Harry L. Boyer, chief of housing. There are an estimated 200 veteran undergraduate students and 25 or 30 graduate students the Housing Office will not be able to accommodate.

Five hundred to 600 married non-veteran students are also expected to arrive this fall.

The Housing Office is now operating 526 apartments in College View and the project housing unit.

This shortage of college housing means there will be an increased demand for apartments in the Bryan-College Station area. Several persons have already called in advertising living space near the college.

them. Thirteen of these local girls will act as senior hostesses, they are: Geneva Wehring, Florence Haupt, Martha Amis, Dorothy Berry, Ann Hite, Clair Rogers, Jo Ann Nolen, Helen Howell, Pat Simmons and Linda Lynch.

McGinty is in charge of arrangements for the activity and he is assisted by Mrs. Ide P. Trotter, Mrs. Fred Smith and Mrs. Paul Bryant.

Special music will be played on the organ in the Main Lounge during the open house by Miss Margaret Berry.

# Vet Students Urged To Follow Pointers

Veterans planning to start school this fall under the Korean GI Bill were urged today by Dr. George T. McMahan, manager of the VA Center in Waco, to follow an eight-point check list to avoid unnecessary delays and to guarantee "clear sailing."

Following is VA's check list:  
1. Since veterans are allowed only one change of course, they should give plenty of thought to their goal and the training program leading to the goal.

2. Veterans not sure of their training goal should request VA vocational counseling.

3. Veterans should be certain their course has been GI-approved by the State in which the school is located. VA Regional Offices—and not VA headquarters in Washington, D.C.—can furnish information about approved courses.

4. Veterans should complete arrangements for admittance to their school before filing applications with VA.

5. The application for GI training should be completely filled out and signed. It should be sent, along

with a photostat or certified copy of the veteran's separation paper, to the VA Regional Office serving his area.

6. The application should go to VA as soon as possible. This will enable VA to iron out any snags before school starts.

7. Veterans with dependents should have the necessary proof of dependency ready when VA requests it. For a wife, this would be a photostat of the marriage certificate; for a child, a photostat of the birth certificate.

8. Veterans should take along enough money of their own to tide them over the first two months of training. It takes that long, ordinarily, for a veteran's first monthly GI check to reach him. The reason is that payments are made only after that month of training completed, and not before.

**A Few Decades Past . . .**  
A NEWSPAPER WAS A RARITY IN MANY AMERICAN COMMUNITIES!  
Then—a newspaper was a thing to be marveled at—for memories of the Press' fight for freedom were fresh in mind. Although newspapers are common in our country today, their existence should not be taken for granted. It is a wonderful fact that almost all of our modern communities have their own hometown newspapers, freely edited by members of their own communities—spreading the news, stimulating the business of the community, and keeping their readers informed of important events elsewhere. It is well to keep in mind that a free press and a free people are an unbeatable team.
