Standings Jumbled In CSRC Softball

"All shook up"—that best describes the standings of the College Station Recreation Council Softball League after action of the past week.

The most games that any team has played is four (Two clubs have played only three official tilts), but already, each of the loop's six aggregations has lost at least one battle; likewise, each of the teams has won at least one clash.

Heading into tomorrow's double-header at the intramural diamond south of The Grove, the Eagles of Manager Tony Sorensen and the Vets of Skipper Ken Pierce top the league with 3-1 marks. Right behind, however, are the Flashes, piloted by Sgt. W. H. Gard, with a 2-1 record. The second division is paced by the Tigers, 1-2, while the Tired Nine and the Duffers, both 1-3, are deadlocked for the cellar.

Friday's twin-bill, which begins at 6 p.m., sends the Vets against the Flashes in the first game and the Tired Nine versus the Eagles in the night-cap. Double-headers are also scheduled for Saturday, Monday, Tuesday, Wednesday, and next Thursday, and by that time, a better indication should be given of where the loop's power and weakness lie.

TEAM	W	L	T	PTS	GB
Vets	3	1	0	300	—
Eagles	3	1	0	250	—
Flashes	2	1	0	200	—
Tigers	1	2	0	150	—
Tired Nine	1	3	0	100	—
Duffers	1	3	0	50	—

Schedule for the coming week:
 Friday, August 23—Vets vs. Flashes and Tired Nine vs. Eagles.
 Saturday, Aug. 24—Tigers vs. Flashes and Duffers vs. Eagles.
 Monday, Aug. 26—Flashes vs. Eagles and Tired Nine vs. Tigers.
 Tuesday, Aug. 27—Flashes vs. Duffers and Vets vs. Tigers.

RAILS THAT NEVER RUST

Gleaming in the midday sun... shimmering under the moon's pale glow... afire with gold as the night headlights bear down... rails that never rust.

Rolling wheels won't let them!

Some folks wonder whether it's important to go to Church every Sunday. Why not twice a month—or now and then—or at certain special seasons?

When the wheels stop rolling: RUST! When we relax in our quest of God or interrupt our pursuit of faith, then all the destructive influences in life begin to attack the soul.

The Church helps us keep open our spiritual right of way. And not only church-worship, but personal prayer, Bible reading and family worship richly deserve a place on our timetable.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The most creative job in the world!

Next to his parents, the person who does most to shape a child's future is usually his teacher.

However, our amazing population growth has left us terribly short of teachers. In the next 5 years, we must find another 780,000 capable people to give our children the education they must have.

What can we do, right here in our own community? We can encourage college students to enter teaching as a career. And by working with our neighbors on citizens committees and in community conferences, we can make plans now to attract the good teachers we'll need.

A free booklet on how you can help is yours for the asking: write Better Schools, 9 East 40th Street, New York 16, N. Y.
