PICTURE YOUR FUTURE IN THIS GROWING COMPANY

Looking for a solid, satisfying career with a vigorous company in a growing industry? American Air Filter Company, Louisville, Kentucky—world's largest manufacturer of air filters, dust control and heating and ventilating equipment—needs graduate engineers to fill responsible jobs in sales, engineering and production in its 125 field offices and nine manufacturing plants located in six cities.

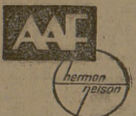

In July of 1958, AAF will inaugurate its next five-month technical training course for a select group of engineering and commerce graduates. This full-time program combines classroom work, under the direction of competent instructors, with field trips to both company plants and large industrial users of AAF products.

A representative of American Air Filter will visit the campus to interview interested seniors on

Hostile Horned Frogs Seek Revenge On Ags

"I felt real good out there against Alabama," grinned TCU fullback Buddy Dike last Saturday. "It (his injured leg) got stung a few times, but I'll be in top form for the Texas A&M game."

And that echoes the sentiments of the entire Horned Frog squad, a team which has seen its conference record marred by only two defeats in the past two seasons,

both at the hands of underdog Aggie squads.

Dike's return brings the Frogs to near full strength and brings their backfield back up to par for the first time this year. He received a severe gash on his left leg in TCU's 13-13 tie with Kansas.

"There's no doubt about it, we'll be improved with Buddy back in there," said Coach Abe Martin.

The sophomore Froggies, growing stronger with each game, attempt beating an Aggie club which hasn't lost in 14 games.

And the big gun in their attack, Jim Shofner, a senior from Fort Worth, continues a merry pace in rushing yardage gained and punt returns.

Shofner, a 6-1, 185-pound left halfback, is 50 yards ahead of Texas' Walt Fondren with 343

yards gained on 54 carries for a 6.4 average. He's returned five punts for 118 yards, scored 25 points to rank third in the SWC in that category and has punted 12 times for a 35.1 average.

Rounding out the Froggie starting backfield are quarterback Dick Finney and right half Marvin Lasater.

Finney, in his first two games this year threw only three passes and completed none, but is still the No. 1 TCU quarterback.

TCU Coach Martin called his play selection against Ohio State "as fine a job as I've seen. He knew where to hit them on every play." The Frogs upset highly regarded Ohio State 18-14 on the Buckeyes home field three weeks ago.

It remained, however, for Finney to have his greatest offensive night of his college career last Saturday night in Alabama as the Frogs won 28-0. He set up one touchdown with a 65-yard pass to Mar-

vin Lasater and romped 49 yards for another score. His defense was superb. Finney gained 72 yards total for the evening.

Lasater is a sophomore from San Angelo who at season's beginning was termed an excellent prospect and has shown nothing to take the sheen away from that promise.

Mention of the Froggie backfield

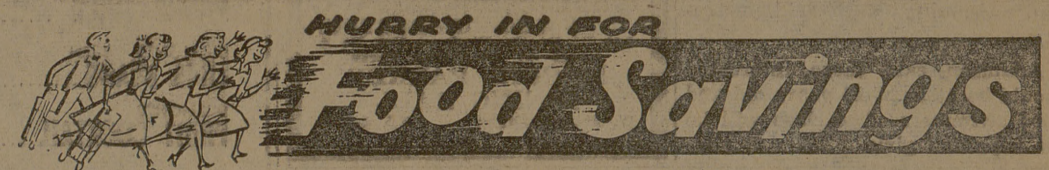

must include another tremendous sophomore.

Jack Spikes, moved to fullback when Dike was injured, has been dropped to the second team fullback slot after earlier this season winning the starting right half slot. Last year he was named the top back of all the SWC freshmen footballers. He's 6-2 and weighs 200 pounds.

Old LOU Says—

"Everybody goes on the T. C. U. Corps Trip to Ft. Worth. I'll see you at the game Saturday."
