AVOCADO SALAD

Partly chop, partly mash one ripe avocado. Add salt and lemon juice to taste. Then add mayonnaise, chopped boiled egg and finely chopped onion and mix.

COOKING HINTS: A good batter for fried chicken is pancake mix with salt, pepper and water added.
 When using cake mixes, try adding fruit juice or the syrup from canned fruit instead of water for an interesting flavor.

Change Asked For Speed Law Said Indefinite

HOUSTON, (AP) — Dist. Atty. Dan Walton said yesterday a recent Court of Criminal Appeals decision raises grave doubt as to the legality of a statute setting automobile speed limits.

Walton sent a telegram to Gov. Price Daniel requesting that the current special session of the legislature be asked to write a new and stronger statute.

"We may be without a speed law until the next regular session if something isn't done during the special session," Walton said.

On Oct. 8 the Court of Criminal Appeals ruled on a Reagan County case involving a conviction on charges of driving 90 miles an hour on a state highway.

Walton said Judge Lloyd W. Davidson said in a dissenting opinion on the case that the present speed law is "vague and indefinite and therefore invalid."

Judge W. A. Morrison did not commit himself to an opinion, Walton said, but may change his mind when considering another similar case later.

Krueger, a graduate of A&M and long active in the Southern Industrial Distributors' Association, recently established this scholarship to aid a worthy student who has an interest in industrial distribution.
