HOW SMALL, YET HOW BIG

How small a man seems—walking down a lonely road on a rainy day, with gaunt trees towering over him. How small man is, and how frail in body. The trees in the picture and even the chimneys on the old house will probably long outlive the man.

Yet how big man is—in the things that are not of the body, but are of the mind and soul. God has not made man mammoth. But He has made him potentially great—if he will but accept the blessings given him, and use the tools of Christian teachings.

Man finds in the Church, the encouragement and the instruction to enable him to make from his God-given divine spark something great and enduring—and of benefit to all human-kind.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
