

TB Patients Ask Hunters For Deer Skins

Hunters are being asked to save deer skins this season and send them to Austin where they will be useful in helping convalescent tuberculosis patients find an outlet for their energy.

Motor freight lines throughout the state will transport the skins free of charge when they are salted, tied and addressed to:

Austin Taxidermist Studio, 2708 Fredericksburg Road, Austin, Texas. To insure free hauling, the shipment should be marked "For TB patients."

Cecil Reid, executive secretary of the Sportmen's Clubs of Texas, said:

"According to the Volunteer Advisory Council for State TB Hospitals, therapists have found that soft, pliable buckskin is uniquely beneficial for handwork, which can gradually build physical tolerance while relieving the monotony from TB."

Officials Stressing Car Violation Laws

Students who are under restriction as to use of a car are warned that violation of this restriction places the student subject to suspension from the college according to Bennie A. Zinn, director of the Department of Student Affairs.

A violation of restriction involves driving either the student's own car, driving another car, or allowing his car to be driven by another student.

Zinn explained a student is put on car restriction for 30 days each time he does not pay a re-instatement fee for a traffic violation.

UN Secretary Sets Peace Visit to East

UNITED NATIONS, N.Y. — (AP) — Secretary General Dag Hammarskjöld will leave Friday for another peace mission to the Middle East, the U.N. announced last night. He will visit the Jordanian capital of Amman and confer with other governments in the area "insofar as time permits."

Ominous flareups along the Israeli-Jordan and Israeli-Syrian borders prompted Hammarskjöld to make the visit, which will last for about a week.

U.N. officials would not comment on reports that Damascus and Ankara were also on Hammarskjöld's itinerary. A spokesman said Hammarskjöld planned to confer in areas where U.N. interests are directly involved, and that the detailed schedule of stops would be announced later.

Damascus, Cairo and Ankara were regarded as fairly certain in addition to Amman.

He will confer in Amman on the demand by Jordan that he remove a U.S. marine officer in charge of Israeli-Jordan mediation.

'Open School Bill' Killed In Senate

AUSTIN, (AP) — The Senate State Affairs Committee yesterday killed a bill its author described as an "open school bill."

The measure by Sen. Henry Gonzalez would provide fines up to \$1,000 and two years imprisonment for any person starting or taking part in a riot to prevent enforcement of any state or federal law affecting operation of public schools.

The committee also passed a House - passed resolution raising from \$300 to \$400 the amount of money an individual may have to remain eligible for old age assistance.

Experiment Station Given Four Grants

The Texas Agricultural Experiment Station received four grants-in-aid, three gifts, extension of a grant and a loan of equipment within recent weeks to be used in conducting research studies in several different fields.

The Department of Poultry Science received \$2,000 from Allied Chemical and Dye Corporation to support research studies on the value of unidentified factor concentrates in poultry nutrition.

Panogen, Inc., provided \$800 for support of studies on control of rice insects, now being conducted at the Rice-Pasture Experiment Station in Beaumont.

The Dow Chemical Co. gave \$500 for support of research in post-harvest treatments for fruits and vegetables, to be conducted under the supervision of the Department of Horticulture. Chemagro Corp. made a grant of \$250 to support research on fungicides for the control of cotton root rot. These studies are being conducted at the Temple sub-station.

Texas A&I Citrus and Vegetable Research center and Weslaco sub-station received a donation of 1,650 feet of irrigation pipe from the

Reynolds Metal Co. The J. I. Gase Co. donated a tobacco harvester that will be used by Department of Agricultural Engineering personnel in research studies connected with cotton production.

The third gift was made by Perry Co. and consisted of an experimental dual blade stalk shredder used in connection with research studies dealing with the post harvest control of pink bollworms in cotton.

Newman Has Panel On 'Young Couple'

"The Young Couple Before and After Marriage" was the topic of a panel discussion highlighting Sunday's meeting of the A&M Newman Club.

Members of the panel were Allan Ludwig, John Matthews, and Sam Piccione.

During the meeting, members discussed the South Texas Province executive committee meeting which will be held Dec. 7-8 on the University of Texas campus.

It was reported that the first club paper, "The Aggie Newman," which will be published monthly, is ready for distribution.

Chopped cucumbers and tomatoes, seasoned with salt, pepper, a little sugar and some vinegar, make a fine accompaniment for a curry.

When You Can't Get Home —
A LONG DISTANCE CALL BRIGHTENS THE HOLIDAY

If you can't be with your family over the holiday, a visit by long distance telephone is the next best thing. Everyone at home is certain to appreciate your call. Use your long distance telephone this Thanksgiving. You'll get a great deal of satisfaction for very little money when you call station-to-station because rates are so low. And by calling after 6 p.m. or on holidays and Sundays, you'll find that these low rates are even lower.
