## Young Aggies Bust Ramblers

**Steve Van Winkle Hits 15 As Fish Smash Allen, 74-54**

By BOB WEEKLEY  
Sports Staff

The Texas Aggie Fish proved they were learning Rogers-type basketball last night, as they raced to a 74-54 victory over the Allen Academy Ramblers in Bryan.

Four freshmen led the attack, with Steve Van Winkle of Peoria, Ill. massing 15 points and Dale Ethridge of Ropesville and Don Mercer of Longview scoring 11 apiece. Joe Thompson of Bryan contributed 10 points.

The game's leading scorer was Allen Academy's F. Persyn, who evened things somewhat with his 25-point contribution.

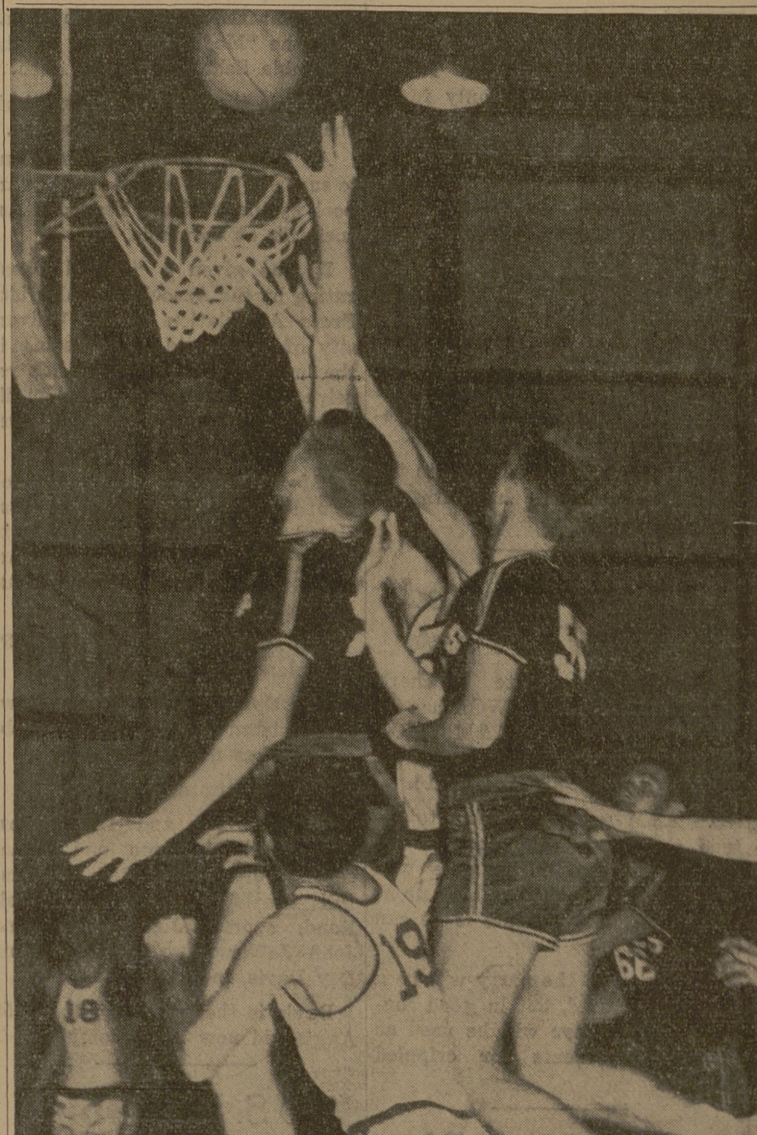

At times, the Cadets appeared a little "over-eager," losing the ball via the "poor-pass" route, but they completely dominated the rebounding.

Coach John DeWitt's anxious freshmen sped to a 15-4 lead over the hapless Ramblers in the first quarter, and led at the end of that period by 21-10.

However, in the final stanza, the Fish caught fire, and ran a nine-point lead at the beginning of the fourth quarter to the 20-point margin at the final buzzer.

## Lawrence Hits 16 But Spiders Romp

The unbeaten Richmond Spiders, utilizing their immense height and masterful shooting humiliated the Texas Aggies last night in Richmond, Va. by the score of 70-50.

The Aggies, who will face some of the outstanding cage squads in America on their East Coast tour were never in contention for the game—behind from the very start.

Soph Center Wayne Lawrence was the game's leading scorer, however and meshed the nets for 16 points. Theryl Willis of the Spiders was a close runner-up with 13, but he played in only half the game.

Richmond was in command from the very start, and was able to distribute its scoring among 11 players. Besides Willis' scoring effort, Larry Rauppius and Phillip Morris each had 10 points for the Spiders.

The well-balanced Richmond bunch held a 33-22 advantage at the halftime.

During the second half, however, the Spiders produced true to form and spurred to a commanding 59-34 lead before Richmond coach Lester Hooker lifted his regulars.

The tough sliding zone used by the Spiders completely handcuffed the Cadets to the point that Lawrence was the only Aggie in the double figures of the scoring column.

Bobby Rogers' eagles will have an off-day today, but tomorrow afternoon in Columbus, Ohio they will face the Big Ten powerhouse, Ohio State.

The first opportunity the Cadets will have to display their talents before a home crowd will be January 7, when the Farmers will play host to the Texas Longhorns.

## Two More For The Fish

Dale Ethridge, 6-4 center from Ropesville, with an assist from Don Mercer, 6-2 guard from Longview, is shown dropping in two more points late in the third quarter of the Allen Academy-Aggie Fish game last night in Bryan. The Cadets topped the Ramblers by 20 points, 74-54, for their first victory.

## SWC Meet Has Dull Agenda

What may be the dulllest South-west Conference meeting in a decade opened in Dallas yesterday with even the athletic directors and football coaches having to strain to make a recommendation.

The faculty committee, governing body of the conference, starts its winter session today. The agenda is brief and the only thing that might produce even mild fireworks is that "rumors of rules violations involving several schools" will be taken up.

The conference has asked the Texas Interscholastic League to allow the signing of schoolboy ath-

letes without damaging their eligibility in high school competition but the league has steadfastly refused, saying it considered this "valuable consideration" and a violation of its amateur rule.

There has been some scattered sentiment for ignoring the league's rule and signing the boys before they have completed their eligibility.

The athletic directors and coaches recommended to the faculty committee that coaches be allowed to contact boys at all-star games who had signed letters of intent at their particular colleges, that there be no change in the start of practice in freshmen football and that each school be allowed five games, and that the size of travel squads in football be left to the discretion of the individual school.

## Golfer Dan Mosel Set New Record

Dan Mosel, a 25-year-old transplanted Texan, shattered the competitive course record yesterday with an 8-under par 62 and opened up a wide lead in the first round of the Sanford Open Golf Tournament.

The red-haired bespectacled little shotmaker, unperturbed by shivery temperatures, was never over par while bagging six birdies and an eagle duce for his record 33-29-62.

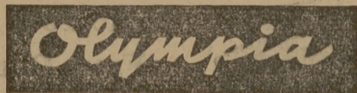

The old mark of 63 was set in 1955 by Don Fairfield of Casey, Ill., and equaled by last year's winner, Mike Fetchick of Yonkers, N. Y.
