

FREE INSPECTION TO AGGIES

Leaving For The Holidays

**CHARGE FOR
PARTS AND REPAIRS**

As a Public Service, and as a token of friendship to the 4,000 Aggie Drivers who will be leaving the Campus, any of the automobile dealers listed below will give you a FREE Safety Inspection of lights, brakes, horn, and windshield wipers at no cost. (If, however, a State Inspection sticker is desired, there will be the normal \$1.00 charge)

We believe that this will reduce the risk of accidents and may save someone's life!
