

Communists Plan Brazilian Aid Try

RIO DE JANEIRO, Brazil, (AP)—Latin American Communists decided to offer Soviet aid to Brazil to make it a spearhead of Latin American hostility to the United States, a high government source said yesterday.

The official said the Brazilian Foreign Office has prepared a secret report showing the plan was outlined at the November meeting of Communist leaders in Moscow.

The source says the report shows the Foreign Office has profited of meetings held in Moscow—that a new tactic was adopted against the West whereby Brazil would serve as a spearhead for a hostile policy against the United States.

This was interpreted as meaning the Soviet Union would launch a campaign to create political misunderstandings between the United States and Latin American countries, with offers of aid as the opening wedge.

Dr. Bridges Gives Paper In Illinois

Dr. C. H. Bridges, associate professor of veterinary pathology, Texas A. and M. College, presented a paper at the annual seminar of the American College of Veterinary Pathologists at Northwestern University, Evanston, Illinois, recently.

The seminar reviewed the problem cases that were presented to certified Veterinary Pathologists of the U. S. during the past year.

He also attended the conference for Research in Animal Diseases which was held concurrently with the seminar.

Richardson Gets Agronomy Award

Richard Richardson, son of Mr. and Mrs. Harvey Richardson of Mexia, has been chosen to receive the John I. Bowling Award of \$600.

Richardson is a junior student in agronomy, married and resides at 203-A Fairview, College Station.

He has made an outstanding record at A&M in agronomy. He is "farming" his way through college by operating the family's home farm near Mexia, where he is developing a registered Hereford herd and growing feed for his cattle.

Summer Job Data Available in Book

College students and professors can now obtain information on the type of work available, salary ranges, and other data on summer jobs through the 1958 World-Wide Summer Placement Directory.

Included in the book in addition to all types of jobs, study grants and free foreign trips is a special new section for students wishing to use their summer in trainee programs for future career opportunities.

Information on how to get the book can be obtained from The Advancement and Placement Institute, Box 99G, Greenpoint Station, Brooklyn 22, N. Y.

Veteran Newsman Joins College Staff

John H. Moss, 12-year veteran of the Mexia Daily News, has joined the College Information Office.

Moss has been a central Texas newsman for several years and has served as editor of the Mexia newspaper for the last two years.

Social Whirl

Animal Husbandry Wives will hold a social meeting at 7:30 tonight in Project House 14-A.

Candidates for the Ph.T. degree will be honored Saturday at a luncheon for Industrial Education Wives. The affair is planned for 1 p. m. at The Oaks.

Five wives of graduating seniors will be presented Ph. T. degrees.

All members who plan to attend are urged to contact Jeannie Wilson or Mickie Standard by Thursday for reservations.

Elected at a meeting Monday night were the following spring semester officers: Mickie Standard, president; Elaine Goolsby, vice president; Cora Fisher, secretary-treasurer; Harriet Allen, Aggie Wives Council representative; Betty Holder, parliamentarian.

Jeannie Wilson is the outgoing president.

Aero Wives Club will not meet tonight as scheduled. The meeting has been postponed until the 15th.

Election of officers will be held at the meeting of Architecture Wives at 7:30 p. m. today in the Aggie Wives Lounge of the YMCA. Following the business meeting, Sankey Park will talk to the club about diamonds. Refreshments will be served.

Army Eases Rules On Reserve Plan

Local commanders of Army Reserve units have been advised that recruiting restrictions have been eased, permitting the enlistment of persons with no prior service time.

Under this program eligible men can join one of the local units and earn points toward retirement as well as draw pay for attending weekly drills.

Highway Literature Cataloged in Mass

The Texas Transportation Institute has cataloged more than 30,000 typed cards of pertinent literature holdings of the Texas Engineers Library, the University of Texas Library, and the library of the Texas Highway Department.

The cards catalog technical literature on highway engineering and transportation, said Frederick S. White of the TTL.

The catalog was compiled as one of the many projects of a comprehensive research program which the Texas Highway Department and the A&M System activated cooperatively in 1952.

Microbiology Prof Takes Mexico Job

Dr. Donald E. Davis, assistant professor, Department of Veterinary Microbiology, has accepted a position as animal pathologist with the Rockefeller Foundation. Dr. Davis will be assigned to the Rockefeller Foundation's Mexican Agricultural Program, with headquarters in Mexico City.

He received the Doctor of Veterinary Medicine degree from the Ohio State University in June, 1952 and remained there to complete his work for a Master of Science degree in 1953. He was employed by the Ohio Department of Agriculture and served as a poultry consultant for Swift and Company before joining the Department of Veterinary Microbiology, Texas A. and M. College, Oct. 1, 1954.

Dr. Davis moved his family to Mexico City and assumed his duties there Jan. 1.

WHAT IS A MARCHING BAND THAT NEVER GETS A LUCKY BREAK?

(SEE PARAGRAPH BELOW)

MEMO TO MAESTROS: is your band dawdling instead of tootling? Is it full of feeble fifers and drooping drummers? Well, this musical slowdown may be traceable to lack of Luckies. Better give your band a break—and make it a Lucky one! A Lucky, you see, is a light smoke—the right smoke for everyone. It's all cigarette—all naturally light, wonderfully good-tasting tobacco. And Luckies' fine tobacco is toasted to taste even better. Now then, what's a marching band that never gets a Lucky break? Why, it's a Sore Corps! (Wasn't that cymbal?)

STUCK FOR DOUGH?
START STICKLING! MAKE \$25

We'll pay \$25 for every Stickler we print—and for hundreds more that never get used! So start Stickling—they're so easy you can think of dozens in seconds! Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send 'em all with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.
