Worry

It is worse than many a disease. It can make you old before your time. It can even kill you. And before it does, it can destroy all your happiness. We know all that . . . why then, do we worry? We worry because we have too many fears for our shallow supply of faith. A man or woman needs faith enough to brush aside his fears. God is ready to give you all the faith you need. But you'll never get it worrying all week . . . In Church next Sunday, you can renew and strengthen your faith. In so doing, you will be able to face life unafraid.

Worry

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
