**The LIMITED...**

There's a tingle of excitement in that word limited as long as we're describing a train.

But if we were speaking of the boy—describing the effect which spiritual neglect has on the development of the character of a child—that's a different matter! There's nothing thrilling about a soul that has been limited in its opportunity for religious expression and growth!

The churches of our community are here to give ALL our children religious training... to help ALL our families foster a spiritual atmosphere in their homes.

As we make use weekly of the opportunities our churches provide, the potential Christian growth of the child, the family and the Nation becomes UNLIMITED.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
