WOULD A FENCE HELP?

If we could build a fence around the world, what would it mean?
Would we live happily with one another?
Would we respect our limitations and still feel free within our confines? Would we stop wars, and know eternal peace?
Probably not. Because, while you can fence in physical objects, the minds, the hearts, and the souls of man cannot be harnessed. Nor could we be forced to live in peace. Blessed peace can come only to us through practicing the love, the faith, the tolerance and the understanding that God, through His Church on earth, tries again and again to teach us.
With that in mind, remember World Day of Prayer this year. Determine not to build a fence around yourself, or around anyone else—but to pledge, instead, to enlarge your horizons and the horizons of the entire world through the common voice of prayer.
And what better place in which to make such a pledge than the Church itself?

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
