

Aggies' Ball!

Jaime Quesada, Aggie forward from Spain is preparing to block a kick in the game last Sunday with the Houston Spurs which found A&M on the heavy end of a 13-0 score. The

soccer team has now advanced to the state semifinals, and will meet the champion of the San Antonio and Dallas Soccer Associations in the near future.

Lettermen In "T" Association Disclose Plans For New Clubhouse

Soccer Squad Wins In Unsung Hero Role

Captained by Nick Hopkins, the Aggie soccer team ended its regular season with a 13-0 win over the Houston Spurs last week. This was the final game for the Houston Association and placed the A&M team in first place.

Four teams made up the Houston conference this year, the Aggies, the Houston Spurs, the Blue Stars, and Houston United. Each team played six games during the season.

The Aggies and the Blue Stars were tied at the end of league play with five wins and one loss under the usual scoring method of two points for the winner, none for the loser, and, in case of a tie, one for each team, and the Association decided to determine the winner by goal average—dividing the points made against the team into the points made by the team. By this method, the Aggies were determined the winners.

The Aggies finished the regular season with an overall game record of 10 wins and one loss, and a

conference record of 5-1. They will meet the winners of the San Antonio Association in the first round of the state semi-finals within the next two weeks.

High scorers for the Aggie team were Jaime Quesada with 12 points and Carlos Salinas with nine. Quesada is from Spain and Salinas is from Bolivia.

Captain Hopkins said that the power on the Aggie team was its teamwork and passing the ball, and not in the rough play. Ernesto Alvarez, regular goalie for the team, is considered by many people as one of the best in the state. He works out with an El Salvador team during the summer. Quesada and Salinas are the best ball handlers, which accounts for their high scoring record.

A soccer team consists of eleven players, five offensive men, five defensive, and one goalie. They can use anything BUT their arms in striking the ball, the head being a very important part in scoring. The field is 100 to 120 yards long and from 50 to 100 yards wide. The rules, field size, and method are the same the world over.

A goal is made when the ball is inside the 8x24 foot goal. There are no set plays as in football, and the ball, about the size of a volleyball, is constantly in motion during the 45-minute halves. Only five substitutions are allowed and no time-outs are called to slow down the furious pace of the game.

Other players making up the starting eleven are Gustavo Gamero from Honduras, Victor Artecona from Paraguay, Hector Villarreal from Mexico, Ernesto Alvarez from El Salvador, Hector Marcicq from Panama, Alfonso Aldape and Jose Buentello from Mexico, and Miguel Irias from Nicaragua.

Plans are now being drawn for a new "T" Association Club House, it was disclosed by A. L. Simmons, President of the club and commander of Co. "B" Athletics.

It has been felt in some circles that Texas A&M has been in need of such a building for some time and was far behind other schools in the Southwest Conference who have had such facilities for some time.

The tentative plans have been presented to a few of the top administrators of the college and were received enthusiastically.

As it now stands, the building will be placed either on the property of the college or a selected location in the immediate vicinity of Bryan or College Station.

The proposed club house will be for the exclusive use of both past and present "T" men. It will serve as a recreation center and meeting place for the present members and as a place for reunions of returning lettermen.

If the present plans remain as they are, the building will contain approximately one thousand square feet of floor space. This will allow enough room for a large lounge area plus a recreational area. This area will contain a pool table and a ping pong table.

Kitchen and rest room facilities are also included in the plans.

The initial building will be financed by the treasury of the present "T" Association and not from college funds. Much of the labor will be donated by the present members.

In other association action, the members voted to enforce the college regulation concerning the wearing of "foreign or high school award letters" on students' jackets or sweaters.

It is a violation of the college regulations to wear such numerals, and only college awards from Texas A&M are authorized. The athletes will be backed up in their efforts by the Office of Student Affairs.

New members to the "T" Association will undergo formal initiation ceremonies next Monday night, March 10.

In eight previous seasons as coach of the UCLA football team, Coach Henry (Red) Sanders' Bruins won 58 games, lost 17 and tied 1.

I did not whistle at her. I whistled because the dress she is wearing looks like it was cleaned by —

Ag Soccer Team Trounces Spurs To Gain Semi-Finals

The Soccer Team thoroughly trounced the Houston Spurs 13-0 in the first game of a double-header in Houston Sunday to qualify for the semifinals of the Texas Amateur Athletic Federation playoffs.

The A&M victory and the following game, a 5-2 win by the Blue Stars over United, broke the tie between A&M and the Stars and gave the Aggies the first slot and the right to meet the winner of the San Antonio league in the next round of the state-wide eliminations.

the Aggies on the sidelines went wild with glee, and when United added still another, it began to look like an upset.

But the Blue Stars pulled themselves together and put through four fast goals in the last half to win the game. United's two points, however, had ruined their goal average, and the Aggies walked away with the Association Championship.

The Houston playoff was a long and bitterly fought struggle, until the champion still unknown until the final whistle of the second game Sunday.

The Aggies and the Stars had each beaten the other once—and neither had lost any other game. If both teams won Sunday, the decision was to be made by goal average—the total points made against a team divided into the points made by the team.

Before game time Sunday, the Stars were leading A&M by a large margin, and the Aggies went into the game with but one aim—to make goals, which they did with a vengeance. Carlos Salinas pushed through four, Jaime Quesada and Gustavo Gamero accounted for three each, Victor Artecona scored two, and Hector Villarreal added another for the grand total of thirteen.

This gave A&M a slight edge, but the outcome rested on the second game. For the Blue Stars to pull ahead, the important thing was for them to keep United from scoring.

When United replied to the Stars' first goal with one of their own,

Pro Football Still In Houston Future

A syndicate of Houston businessmen met last week and decided to continue in their efforts to obtain a professional football franchise.

Craig Cullinan, Jr., spokesman for the group, said a new approach to the Chicago Cardinals or another team will be undertaken shortly.

Sticklers!

Don't just stand there... STICKLE! MAKE \$25

Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (No drawings, please!) We'll shell out \$25 for all we use—and for hundreds that never see print. So send stacks of 'em with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, New York.

WHAT IS THE SLEIGHT-OF-HAND THAT MAKES A PACK OF LUCKIES VANISH? (SEE PARAGRAPH BELOW)

NEAT FEAT? No! Slick Trick? A thousand times no! When a magician makes a pack of Luckies vanish, it's a plain case of Tragic Magic! Connoisseurs claim there's one approved way to make Luckies disappear. That's to smoke (Yum!) every last one of 'em! That way, you get the wonderful taste of Luckies' fine tobacco... light, good-tasting tobacco that's toasted to taste even better. So, Ladeez-ann-Gennlemen, observe a pack of Luckies closely. Then carefully remove one (1) cigarette and light up. Presto! You're puffing on the best-tasting cigarette you ever smoked!
