

Social Whirl

Civil Engineering Wives Club will hold a called meeting at 7 tonight in the Brooks room of the YMCA.

March meeting of the Veterinary Faculty Ladies was held at the

home of Mrs. Pat Hubert, with the Mesdames J. N. Beasley, C. M. Patterson and G. S. Trevino as co-hostesses.

During the social hour coffee and rolls were served from a table centered with an arrangement of spring flowers. Mrs. John Milliff presided at the coffee service.

Churches Plan Mid-Week Services

ST. THOMAS EPISCOPAL CHURCH

A parish supper, followed by Lenten study program, is scheduled for 6:30 tonight. The Rev. O. G. Helvey of St. Andrew's Church in Bryan will speak on "Intercessory Prayer."

A&M CHRISTIAN CHURCH

Aggie Bible study will be con-

ducted at 7:15 this evening at the YMCA. Choir practice is at 7:30 at the church.

BETHEL LUTHERAN CHURCH

"Jesus Against Superstition and Gambling" will be the topic of the Rev. William C. Petersen's sermon at the Lenten worship hour at 7:45 tonight.

Aggie Walther Club will meet

at 7 p.m. today, with choir rehearsals at 8:45. Aggie Wives Club will meet at 7:30 p.m. Thursday and the church council at 7:30 p.m. Friday. Junior confirmation class meets at 8:30 a.m. Saturday.

FAITH UNITED CHURCH OF CHRIST

The Rev. R. F. Buck will speak on the subject, "What Jesus Did for Mary Magdalene" at tonight's 7:30 Lenten service. Brotherhood will meet at 7:30 p.m. Thursday.

CHRISTIAN SCIENCE SOCIETY

Mid-week services begin at 8 tonight.

FIRST BAPTIST CHURCH
Tonight's prayer meeting will be conducted at 7:30.

A&M CHURCH OF CHRIST
Worship services will be held at 7:15 this evening.

WESTMINSTER STUDENT FELLOWSHIP

Summer service opportunities for Christian growth through expression of concern and love for people in every situation will be the subject for discussion at the

7:15 meeting tonight at the A&M Presbyterian Church.

CHRISTIAN SCIENCE ORGANIZATION

Prayer and fellowship meeting is scheduled for 7:30 tonight at the Memorial Student Center.

The Kitchen Korner

BY ZULIN C. DE PINERO

White sauce is one of the most basic and versatile recipes; yet it is also one that requires much care to prepare. It can become lumpy very easily and thereby ruin the tastiest dish.

To conquer the preparation of white sauce is to become a pretty good cook, and the only way to do this is the hard way; there are no shortcuts.

There are, though, certain precautions to be taken into consideration, which will help to achieve a lump-free sauce:

- The milk should be added very slowly at the beginning.
- The sauce should be cooked over a low fire all the time.
- The sides of the pan should never be scraped.

Once the sauce becomes lumpy there is nothing you can do unless you are ready to start all over again. In case of emergency you may try straining it, but this is not a very successful procedure.

The basic white sauce recipe is: 1 tablespoon fat, 1 tablespoon flour, 1 cup milk and ½ teaspoon salt; or 2 tablespoons fat, 2 tablespoons flour, 1 cup milk and ½

teaspoon salt; or 3 tablespoons fat, 3 tablespoons flour, 1 cup milk and ½ teaspoon salt.

There are several ways to combine these ingredients. The one I have found most successful is melting the fat in the pan, adding the flour gradually while stirring to mix, and then adding the milk, again very gradually.

If butter or oleo is used for the fat, it may be wise to remove the pan from the heat once the butter or oleo is melted since these fats burn very easily. After the milk is added, the sauce can be returned to the fire and allowed to thicken. There is no need to stir any more than occasionally while the sauce is thickening.

This basic recipe can be varied an infinite number of ways. For cheese sauce add the grated cheese and 1 teaspoon dry mustard; for creamed vegetables, fish, and meats ("a la king" dishes), also for meat pie filling, add grated or minced onion, a little parsley and pepper; for cream soups, combine equal parts of the sauce and the strained vegetable. For cream gravy use the drippings for fat and add the solid drippings to the finished sauce.

There are many other dishes for which white sauce is the basis and many others you can invent, when time permits. It lends itself to experimentation, and as a proving ground for your more exotic spices and herbs, it is unequalled.
