

CADET SLOUCH

by Jim Earle

"I'm against coeducation, but I'd trade water fightin' for a good pantie raid."

With the current recession and millions facing unemployment-type jobs, one senior (of sorts) had this to say yesterday:
"Boy, jobs are sure going to be hard to get this year. Sure glad I'm not graduating."
Besides, everyone knows the class really needs leadership in the fifth and sixth years.

All the beautiful sentiments in the world weigh less than a single lovely action.

THE STUDENT COUNCIL AND HOW IT GREW
Today let us investigate a phenomenon of American college life laughingly called the student council.
What actually goes on at student council meetings? To answer this burning question, let us reproduce here the minutes of a typical meeting of a typical student council.
Meeting scheduled for 8:30 p.m. at Students Union. Called to order at 10:63 p.m. by Hunrath Sigafoos, presiding. Motion to adjourn made by Louis Bicuspid, freshman representative. Motion ruled out of order by Hunrath Sigafoos, presiding. Hunrath Sigafoos called "old poop" by Louis Bicuspid, freshman representative. Seconded by Delores Wheatgerm, sophomore representative. Tabled by Hunrath Sigafoos, presiding.
Minutes of last meeting read by Zelda Pope-Toledo, secretary. Motion to accept minutes made by Hunrath Sigafoos, presiding. Motion defeated.
Treasurer's report not read because Rex Mercedi, treasurer, not present at meeting. Rex Mercedi, treasurer, impeached and executed in absentia.

"I WOULD HAVE LIQUOR BE SOLD IN THE SCHOOL CAFETERIA..."
Motion made by Louis Bicuspid, freshman representative, to allow sale of hard liquor in school cafeteria. Seconded by Delores Wheatgerm, sophomore representative. Motion tabled by Hunrath Sigafoos, old poop.
Motion made by Booth Fishery, fraternity representative, to permit parking in library. Motion referred to committee.
Motion made by Dun Rovin, athletics representative, to conduct French conversation classes in English. Motion referred to committee.
Motion made by Esme Plankton, sorority representative, to allow hypnosis during Rush Week. Motion referred to committee.
Motion made by Pierre Clemenceau, foreign exchange student, to conduct Spanish conversation classes in French. Motion referred to committee.
Observation made by Martha Involute, senior representative, that in her four years on student council every motion referred to committee was never heard of again. Miss Involute was tabled.
Motion made by Louis Bicuspid, freshman representative, to allow sale of hard liquor in Sociology I and II. Seconded by Delores Wheatgerm, sophomore representative. Motion tabled by Hunrath Sigafoos, presiding, crossly.
Refreshments served—coffee, cake, Marlboro Cigarettes. The following resolution adopted by acclamation:
"WHEREAS Marlboro is milder, tastier, and more pleasing to smokers of all ages and conditions; and WHEREAS Marlboro is contained in the crushproof flip-top box which is the slickest, quickest, neatest container yet devised for cigarettes; and WHEREAS Marlboro, that most commendable of smokes in the most admirable of wrappings; is graced with the exclusive Selectrate filter; therefore BE IT RESOLVED that it is the sense of this meeting that Marlboro is far and away the best cigarette on this or any other campus."
Meeting adjourned with many a laugh and cheer at 11:74 p.m.

The makers of Marlboro, who bring you this column, here-with move that Marlboro is the finest cigarette ever. We know you'll second the motion.

Man to Man

By JOE TINDEL
Two weeks from yesterday mid-semester grades will come out and we'll know the worst or the best. Yesterday, many seniors received that letter they've awaited so long—the one that says "we're recommending you for graduation."

From the looks of the crowd in district court yesterday, many a college official and staff member lost a day of work watching proceedings in the coed suit. Prominent among the courtroom spectators were "Ole Army Lou" and "Pinky" as well as other dignitaries such as Col. Joe E. Davis, commandant; Lt. Col. Taylor Wilkins, assistant commandant, and Cadet Col. Jon L. Hagler, Corps commander.

This year's Civilian Weekend promises to be the most successful yet. With the fine array of talent for the dance band and the floor show, every person there should have a fine time. There'll be dates imported from Sam Houston State College too.

Letter Tells Plight Of ROTC Building

By FRED MEURER
A letter from Congressman Olin E. Teague received yesterday wrote one big word across any hopes that A&M may get an ROTC building—bleak.
At least this is the case if the college administration waits for a federal bill to aid institutions in such undertakings.
The Board of Directors has said it was considering an armory to house all aspects of ROTC training but it wanted to wait and see if the college might get federal help.
That help apparently won't come, at least not in the near future.
Congressman Teague pointed out that four attempts to get such aid from the Department of Defense had been rebuked. Each of the attempts was originated by different Congressmen.
According to an enclosed copy of a letter received by Armed Services Committee Chairman Carl Vinson from the Defense Department, the department estimates any of the bills would cost the government 10 million dollars.
The letter said flatly: "The Department of Defense does not favor enactment of subject bills."
It pointed out that the Bureau of the Budget believes "the educational institutions, having ROTC programs, should continue to furnish necessary facilities without assistance from the Federal Government."
So an ROTC armory, which definitely is a "necessary facility," is up to the college itself.
