For Hearty Appetites

Broiled Chicken With Rice

Broiled chicken with white and wild rice makes a hearty March meal that's a "breeze" to prepare and a joy to devour.

To make four servings, use two 1½ to 2 pound broiler-fryers, halved; soft butter or margarine; 1 teaspoon of salt, and ½ teaspoon of pepper.

Place chicken in broiler pan—not on rack. Bring wing tips onto back to expose thick breast meat to heat. Brush generously with butter or margarine. Season halves with salt and pepper and leave skin side down.

Adjust pan so that chicken is 7 to 9 inches from the source of heat, regulating the distance or heat so that chicken just begins to brown after 15 minutes.

Broil slowly, turning after 30 minutes. Baste frequently. Broil skin side up for 20 to 25 minutes until drumstick twists easily out of the thigh joint.

A meeting of Industrial Engineering Wives will be held at 7:30 p. m. Monday in the Industrial Engineering Lounge.
