

SPORT SLANTS

By GARY ROLLINS
Battalion Sports Editor

Once again, the Aggies are on the carpet for the alleged violation of another of the many Southwest Conference rules—this one being the most ridiculous of all—involving bed sheets.

And once again, our old nemesis is Howard Grubbs, the executive secretary of Southern Methodist University, who is pressing the investigation.

The problem is this: The Athletic Department had planned on providing bed linen for the athlete's new rooms in Junction Manor—with uniformity in mind rather than luxury.

Now the question coming out of their decision comes from an old "understood" ruling, as Grubbs calls it, stating "the athlete's aid shall not exceed in the aggregate board, room, tuition, stated institutional fees and \$10.00 per month for laundry and incidental expenses."

According to Grubbs, the athlete's rooms are allowed to have bed, chair and other furniture in the room, but not any of the other "furnishings".

And so, spring welcomes another complaint from the Southwest Conference, and it looks like—as before—the rules will have to be changed again because of Texas A&M.

Last year it was traveling jackets that caused the mild furor—A&M had them and nobody else did—so there were complaints made. And the rules were altered.

To mention another "problem" A&M presented—the Aggies once held their pre-season football training at the A&M Adjunct in Junction, Tex. Of course it wasn't "illegal," but it was questionable, so the rules were changed to prevent Southwest Conference football teams from leaving the campus for their training.

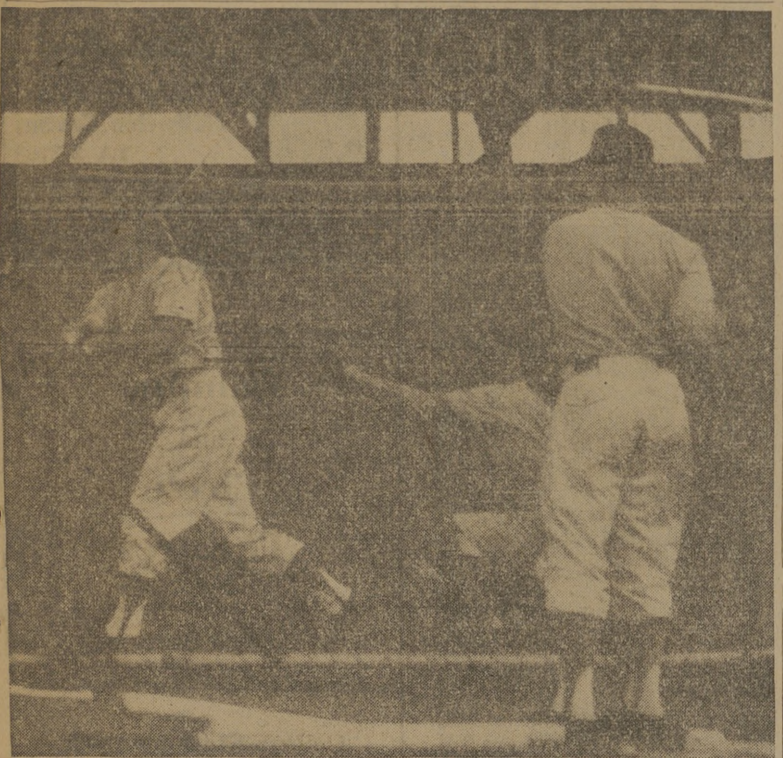

And even more recently, "somebody" complained about All-American Charles Krueger being allowed to help recruit prospective football players. Krueger has been added to the coaching staff this spring, and he and other former players have been doing a "bang-up job" in contacting future Aggie athletes.

I'm quite sure that someone is hollering "sour grapes" because they don't have a new athletic dormitory to draw their prospective athletes.

Then again, the recruiting program at a rival school might have been affected by the whirlwind job the Aggie staff has done in acquiring new gridiron talent this spring.

The rules might be changed, but if A&M continues to win as in the past, it won't really matter too much.

Why, if we win enough, we might buy sheets for EVERY "underprivileged" school in the Southwest Conference.

—Battalion Staff Photo

Pitcher's Nightmare

The batted ball furnishes the pitcher with most of his bad dreams, and with the Aggies batting at a healthy .250 clip, Dickie Thomas whacks the ball preparing for the SMU Ponies this weekend. That's Gary Herrington catching, and Ed Dudley waiting his turn in the batting cage.

Cinderella Aggie Team Boasts Power, Pitching And Going Winning Streak

By BOB WEEKLEY

The lean look is fast disappearing around the Aggie baseball camp as the hard luck team of '57 has turned into the Cinderella squad of '58.

The Farmers have been forced to open their belts a couple of notches to make room for a fat team batting average of .250 and a record five consecutive game winning streak, including two conference wins.

Catcher Gary Herrington has been the big bat for the Cadets with a .522 average at the plate. Six of his twelve hits have been for extra bases with a homerun topping the list. The stocky slugger has banged out two doubles, three triples and six singles and is credited with seven runs batted in.

Junior College transfer Lloyd Stone, switched from a catcher to the left field position, has found the opponents pitching to his liking and recorded a hefty .471 average in the batting box. The Wichita Falls junior has collected one double and triple while batting in five runs.

Clutch-hitter James Smotherman rounds out the top three in the batting department with a strong .357 average. The senior co-captain from Frisco leads the Ags in RBI's with 13. Smotherman has rapped six doubles and four singles in 28 times at bat.

Sophomore Ralph Plumlee has earned his starting role on the team with a .375 average in conference play. The young shortstop has a total of five hits, one a two-bagger.

Speedy J. B. Carroll is the team's leading thief with three stolen bases to his credit. The sophomore third sacker has a .200 batting average and has batted in one run.

First baseman Bill Houchin has the dubious honor of being the Aggie strike-out artist. The young sophomore has been whiffed four times, but still has collected five hits for a .217 average. Two of the hits have been doubles.

The Aggie pitching staff, called by The Daily Texan one of the finest staffs in the conference, has justified the 'Sips confidence by winning six games while dropping only one.

Right-hander Donnie Hullum teamed up with Southpaw Toby

Nichols Not Enough As Eagles Top Ags

Bobby Nichols' 3-under par 67 wasn't enough yesterday as his Texas Aggie teammates fell to the North Texas State Eagles, 4-3, in a non-conference golf match.

Newton to throw the only no-hit, no-run game of the conference this year against Texas Lutheran College. The two Aggie hurlers struck out ten men in the contest.

Newton has been the Cadets' leading moundsman in the win column with a 3-1 record. The slender co-captain has allowed only nine hits in 18 $\frac{1}{2}$ innings and given up six earned runs for an ERA of 2.79. Newton has struck out 23 players and given 18 bases on balls.

Hullum has been the Farmers' stingiest pitcher, letting only two earned runs go past the plate for a slender ERA of 0.73. The Baytown junior has whiffed 21 men and given 11 men a free trip to first base. He is credited with a 2-0 record.

Percy Sanderson, sophomore pitching sensation, has one win to his record in 14 $\frac{1}{2}$ innings on the mound. Ten men have banged hits off his hurling and four earned runs

crossed the plate for an ERA of 2.79. The ex-freshman ace has struck out seven men while walking eight.

The Ags have slipped in the fielding department, making five errors in the last two games for a total of eight, but the outlook has never been brighter than this year with a sophomore infield and a veteran outfield.

LEGAL NOTICE

ORDINANCE NO. 261

AN ORDINANCE PROVIDING FOR THE ISSUANCE OF PERMITS AND FOR THE COLLECTION OF FEES THEREFOR, RELATIVE TO THE CONSTRUCTION, REPAIR, ENLARGEMENT, REPAIR, REMOVAL, MOVING, DEMOLITION, CONVERSION, HEIGHT, AREA, AND MAINTENANCE OF BUILDING AND STRUCTURES IN THE CITY OF COLLEGE STATION, TEXAS.

Section 1. The building inspector shall examine applications for permits within seven days after the filing of the application, he finds no objections to the same, and it appears that the proposed work will be in compliance with the laws, subdivision restrictions, and ordinances applicable, and the proposed construction for work shall be approved upon such application, and issue a permit for proposed work as soon as practicable. If his examination reveals otherwise, he shall refuse such application, noting his findings in a written report to be attached to the application and deliver a copy to the applicant.

Section 2. (a) No permit as required by the ordinances of the City of College Station shall be issued until the fees described in this ordinance shall have been paid. Nor shall an amendment to a permit be approved until an additional fee, if any, with a fine of not less than ten dollars nor more than two hundred dollars.

(b) For a permit for the construction of a building or structure, the fee shall be at the rate of two dollars per thousand dollars of the estimated cost of the building or structure in excess of ten dollars, plus one dollar per thousand dollars of the estimated cost in excess of twenty-five thousand dollars, but not less than two dollars in any case, provided that no fee shall be required when the estimated cost does not exceed fifty dollars. This ordinance shall not cover any maintenance costs and no permit shall be necessary for any such work.

(c) For a permit for the removal of a building or structure from one lot to another, the fee shall be at the rate of two dollars per thousand dollars of the estimated value of the building or structure in its completed condition after removal.

(d) For a permit for the removal of a building or structure to a new location within the same lot, the fee shall be at the rate of one dollar per thousand dollars of the estimated costs of moving, new foundations and work necessary to put the building or structure in a usable condition in its new location.

(e) For a permit for the demolition of a building or structure the fee shall be at the rate of one dollar for each ten feet in the height of the building or structure plus one per cent additional for each foot of street footage of the building or structure in excess of fifty feet.

(f) In case of abandonment or discontinuance of the cost of work performed under a permit shall be estimated, and adjustment of the fee made and the portion of the fee for uncompleted work returned to the permit holder, provided that the refund of a prescribed minimum fee shall be made. If such discontinuance is due to the revocation of permit, a similar adjustment and return may be made provided that no refund shall be made until all penalties incurred or imposed by due authority have been collected. After such refund has been made no work shall be resumed until a new application has been made and a new permit has been issued.

(g) The term "estimated cost" as used in this section, means the reasonable value of all services, labor, materials or other appliances or building entering into and necessary for the completion of the work ready for occupancy.

Section 3. The building inspector as provided for in this ordinance of the city shall make at least two inspections. The first inspection to be made when the work has commenced and the second inspection when the work has been completed to determine if said work is in violation of any of the ordinances or regulations applicable thereto.

Section 4. Any person or any contractor who shall violate a provision of this ordinance or fails to comply therewith, or who shall erect, construct, alter or repair or require a building or structure in violation of a detailed statement or plan submitted and approved thereunder or of a certificate issued thereunder shall be guilty of a misdemeanor punishable by a fine of not less than ten dollars nor more than two hundred dollars, and each day that said violation exists shall constitute a separate offense.

Passed and approved this 24th day of March, 1958.

APPROVED: Ernest Langford Mayor

ATTEST: S/N. M. McGinnis City Secretary

ORDINANCE NO. 262

AN ORDINANCE RECEIVING CERTAIN TERRITORY ADJOINING THE LIMITS OF THE CITY INTO AND INCORPORATING THE SAME AS A PART OF THE CITY OF COLLEGE STATION, TEXAS.

BE IT ORDAINED BY THE City Council of the City of College Station, Texas: Upon compliance with Article II, Section 7, of the City Charter, the following territory shall be incorporated within the city limits:

Beginning at the most southerly corner of the present city limits of the City of College Station, Texas. This corner also being located at the intersection of the northeast right-of-way line of the Southern Pacific Railroad (T. & N. O. Division) with the extension of the northwest line of the Waldo Walker tract of land.

Thence S 45° W at 52 feet intersect the center line of the said Southern Pacific Railroad, at 1692 feet intersect the center line of the L. & G. N. Railroad (Mo. Pac.), and at 1114 feet intersect the southwest right-of-way line of the said L. & G. N. Railroad.

Thence in a northerly direction along the said southwest right-of-way line of the L. & G. N. Railroad a distance of 5285 feet to the intersection of said railroad right-of-way line with the northeast line, or extension of the northeast line of an A. & M. College road known as the Farm Center road.

Thence in a northeasterly direction along the present city limits a distance of 375.6 feet to the northeast right-of-way of the Southern Pacific Railroad.

Thence in a southeasterly direction along the northeast right-of-way of the Southern Pacific Railroad a distance of 4999 feet to the point of beginning.

Passed and approved this 24th day of March, 1958.
