Ike Cuts Imports Of Oil 15 Per Cent

WASHINGTON—(AP)—President Eisenhower Thursday ordered a 15 per cent reduction in the oil imports of companies which have been bringing foreign crude oil into the country.

The reduction, effective April 1, is part of the government's voluntary crude oil import program. The cut applies only to importers from the Rocky Mountains eastward and primarily affects oil from Venezuela and the Middle East.

Eisenhower tightened up the program by directing the military

services and other government agencies not to buy oil from companies which do not comply with the voluntary program of company quotas.

Sen. Johnson (D-Tex) called the order "welcome news" but expressed regret that Eisenhower did not apply mandatory controls.

Russell Brown, general counsel of the Independent Petroleum Assn., said the administration move was helpful, but did not go far enough.

Brown called for legislation to slap strict controls on imports. So did Rep. Ikard (D-Tex) and Gov. Raymond Gary of Oklahoma.

The national security reasoning is this: The United States should have an ever-available source of oil, rather than developing reliance on an outside supply that might be shut off suddenly in event of war.

CUBA BOUND

New York Rebels Captured in Gulf

BROWNSVILLE, Tex.—(AP)—The United States yesterday seized 36 New Yorkers—all uniformed and heavily armed and heading out to sea to fight for Cuban rebel Fidel Castro.

The cloak-and-dagger sea action came just before dawn in the Gulf of Mexico. Their boat was stopped off shore by the Coast Guard.

The little band's fiery commander, Arnaldo G. Barron, said all 36 had saved for months to buy the \$20,000 in arms seized with the men.

Barron, in a jail interview, told The Associated Press that most of the men are U.S. citizens. All were born in Cuba except one Puerto Rican. Some fought for the United States in World War II, he said.

The roster of the little band included a doctor and a Protestant minister. They range in age from 17 to 53.

Authorities were tight-lipped about the arrests and seizure. Most of the information on the predawn action came from Barron.

Christian Church Choir To Present Easter Cantata

A&M Christian Church choir will present its traditional Easter cantata at the 11 a. m. worship service Sunday. The public is invited.

The program will be presented a week early for the benefit of students and others in the community who will not be here during the Easter holidays.

An arrangement by Bernard Hamblen entitled "Tragedy to Triumph," the cantata is largely traditional and approximately 45 minutes in length.

The choir is under the direction of Robert L. Boone, with Mrs. Phillip Goode as organist. Solos will be sung by Mrs. Wendell Nedderman, Larry Hayes, Bob White, Tommy Evans and Boone.

MIRAGE

I sat on the sands, watching the palm trees, the city silhouetted against the sky. And as I did, suddenly the city wasn't there any more. I saw only the palms.

It was like being transported to another time and place. I felt as if I were in old Jerusalem. It was the day when He was entering the city, and His devoted followers had strewn palm leaves in His path. In church, that morning, our minister had told us the story of Palm Sunday. Now I realized how much this message meant to me.

Watching the palms, I realized that all of us need help in understanding life's basic truths. We find that help in the Church. Then we can dwell upon what we have learned until it has full meaning for us ... as Palm Sunday, now, has for me.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

MY CLOSEST SHAVE by Bill Bridgeman
Douglas Test Pilot

"My closest shave was during the first try at a speed record in the fantastic Douglas Skyrocket," says Test Pilot Bill Bridgeman, author of *The Lonely Sky*. "A special B-29 dropped me like a bomb at 30,000 feet. I turned on my rockets and climbed to 40,000. . . when suddenly all power failed. Rocket power, cabin pressure, heat—everything went—and the window frosted over so I couldn't see. Finally I got the radio going on an emergency battery . . . and a pilot in a chase plane talked me down to a blind landing!"
