

A&M Chapel Ceremony Unites Sue Mowery, C. D. Scarborough

Miss Sue Ellen Mowery of College Station and Cleveland DeWitt Scarborough Jr. of San Antonio were united in marriage Sunday, March 30, in a 5 o'clock evening ceremony in the A&M Interfaith Chapel.

The double ring rites were solemnized by Dr. W. H. Andrew, pastor of the First Baptist Church of Bryan, in a setting of brass candelabra and pink tapers, palms, Easter lilies, and pink daisies.

Parents of the newlyweds are Mr. and Mrs. Irvin C. Mowery of 606 Fairview, College Station, and Mr. and Mrs. C. D. Scarborough Sr. of San Antonio.

Given in marriage by her father, the bride wore a street-length dress of mauve tissue taffeta, fashioned with puffed sleeves and a V-neckline embroidered with crystal beads. A hat of mauve lace with tiny veil complemented her costume. She carried a Bible topped with a pink orchid surrounded by stephanotis.

Attending the bride as maid of honor was her sister, Miss Anita Joye Mowery, who was attired in a pink sheath of embroidered cotton satin highlighted by a chiffon cummerbund and drapes. She wore a tiny pink hat with veil and carried a nosegay of pink daisies, roses and carnations.

George Scarborough of San Antonio served as his brother's best man and also assisted John Wayne Todd of College Station in lighting the candles before the ceremony.

The bridal party and parents of the newlyweds received guests in the chapel after the ceremony.

The couple will make their home in San Antonio. The new Mrs. Scarborough is a member of the class of '58 at A&M Consolidated High School. The groom attended Thomas Edison High School in San Antonio and is a member of the A&M class of '57.

BONDED FORTUNE
GRAND RAPIDS, Mich. (AP)—The city of Grand Rapids found itself the owner of a Czarist Russian government bond when it took over the assets of an old cemetery in 1949.

City officials figured it was worthless. Then Treasurer Simon J. De Boer heard the U.S. government was liquidating American assets of the pre-revolution Russian regime. De Boer filed a claim and received \$1,000, the face value of the bond. He also hopes to collect \$891 interest.

MSC Accepting Room Requests

Requests for room reservations, Memorial Student Center for major event weekends during the 1958-59 school year will be accepted from students and former students during May, Mrs. Mozelle Holland, guest rooms manager of the MSC said yesterday.

Following the May 31 deadline, a drawing will be held to determine who will receive accommodations. After the drawing, notices will be mailed to each person submitting requests for guest room reservations indicating whether or not their names were drawn. Names not drawn will be placed on a waiting list and those making the requests will be notified two weeks in advance should a room become available because of a cancellation.

Only one room per family can be reserved each weekend and reservations are not transferable, Mrs. Holland said.

A deposit will be required of those persons receiving a reservation no later than two weeks prior to the date reserved. If the deposit is not received before that date, an automatic cancellation will occur, she said.

Genetics Student Wins Fellowship

Robert W. Hamilton Jr., graduate student in genetics, has been awarded a \$3,400 yearly scholarship, plus all tuitions and fees, to the University of Minnesota for advanced studies in physiology.

Hamilton was one of three men to receive such scholarships, designed to increase the number of medical research scientists. He will receive his M.S. degree in genetics this year. Prior to entering A&M, he received a B.A. degree in liberal arts from the University of Texas.

\$5,000 Goal Set In Cancer Drive

A door-to-door campaign April 15 will highlight the annual Brazos County Campaign Against Cancer, underway with a goal of \$5,000.

A plea for 500 volunteers to assist in the program was sent out by Tom Mahoney, local chairman for the American Cancer Society drive. Mahoney said some workers who aided last year are already at work, but the added number must be secured before the April 15 drive.

Volunteers will work on one of a number of committees which will not only assist in the drive but will also map out complete plans for the campaign.

Top Paintings Now Displayed In MSC

Twenty paintings of different media and subject matter, four of them prize winners, are among the various paintings now being presented in the Creative Arts Committee's exhibition in the promenade of the Memorial Student Center.

The show, a circuit of the Texas Fine Arts Association, will be on display through April 10.
