FROM THE DIARY OF OUR DESTINY

And very early in the morning the first day of the week... at the rising of the sun...

Thus begins the most amazing account of human experience ever written. And so simply, with just a notation of time: the hour, the day, the very moment!

But like a church bell sounding its call to worship, that simple notation of time has become the clarion of a New Life.

So deeply has it penetrated our pre-occupation with the routine of every-day existence that millions gather at sunrise to greet the dawn of each Easter Day.

What has given such meaning to one moment in time?

Its PROMISE: Christ is risen. The One Who said, *because I live, ye shall live also*—He lives!

This tremendous moment, for all who worship Him in faith, became the first entry in the Diary of our Destiny.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
