(Continued from page 1)

The large audience and the band will follow the address with "The Spirit of Aggie Land."

"Roll call" will be conducted by Ted Lowe, head yell leader, and will be limited to students who have passed away since the last Muster.

Closing ceremonies of the Muster will be a rifle volley by the Ross Volunteers, the Singing Cadets' presentation of "Auld Lang Syne" and Silver Taps by Band.

Gen. Schriever, born in Bremen, Germany, was naturalized in 1923 after coming to the United States in 1917. He received his early education in San Antonio and was graduated from A&M in 1931 with an engineering degree.

With a full slate of military background, including 63 combat missions in the Southwest Pacific, during World War II, he became commander of the missile program in 1954.

He has immediate control and supervision over all aspects of the missile division and the recently-activated 704th Strategic Missile Wing.

## Speaker Gives Moral Counsel In Sex Affairs

Restraint from sexual relations before marriage is the highest ethical demand of Christianity and places a burden of responsibility on free men under God, Dr. Robert E. Ledbetter told a group of students last night in the YMCA.

Speaking on "Dating and Mating," Ledbetter, director of the Methodist Student Center at the University of Texas, disagreed with the many psychologists who feel that sexual relationships before marriage are necessary.

"We must be loyal to ourselves if we are going to live with ourselves," he said. "We should make sure that the person we marry is the one we really love and understand. We can save many heartaches and anxieties by communicating and finding out what each is thinking."

Ledbetter presented many interesting tips on how to live after marriage. He pointed out it is best for couples to move away from their parents or in-laws. "Troublesome in-laws have caused many marriages to end in divorce," he said.

Ledbetter told the group that quarreling is sometimes good because it is a "means of testing love."

Various questions were asked by the students after the talk. Ledbetter's talk was the first of four marriage forums to be presented by the YMCA.

Behind the iron curtain is a powerful transmitter which tries to garble the messages which come from the free world.

We like to think that no one can garble the prayer of a little child to his God. But sometimes, right here in a free Christian land, we jam the wave-lengths of faith with examples of doubt and indifference. Even parents occasionally stifle the spiritual yearnings of their own children!

One of our freedoms is FREEDOM OF WORSHIP. In the sight of God, and before the eyes of a growing generation of free Americans, what shall we do with this freedom?

There has never been a day when Christian sincerity in the community, Christian example in the family, and Christian devotion in the individual were more essential for the preservation of our spiritual heritage to another generation!

Come to Church—join the Church—support the Church.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
